

The background of the book cover is a solid red color. Overlaid on this background are several technical illustrations in a dark, brownish-red line-art style. In the upper left, there is a schematic diagram of an electrical power system, showing various components like transformers, switches, and lines connected in a network. To the right of this, and extending towards the top right, is a detailed drawing of an industrial structure, possibly a distillation column or a complex piping system, with multiple levels, ladders, and structural supports. In the lower center, there is a large, detailed illustration of a piece of industrial machinery, which appears to be a large motor or a pump, with various mechanical parts, bolts, and a base. At the very bottom of the cover, there is a small, stylized illustration of a row of evergreen trees.
