Do You Dream in Color? Laurie Rubin,2012-10-23

Colors Rubin tells us affect everyone through sound smell taste and a vast array of emotions and atmospheres She explains that although she has been blind since birth she has experienced color all her life In her memoir *Do You Dream in Color* Laurie Rubin looks back on her life as an international opera singer who happens to be blind From her loneliness and isolation as a middle school student to her experiences skiing Rubin offers her young readers a life story rich in detail and inspiration drawn from everyday challenges Beginning with her childhood in California Rubin tells the story of her life and the amazing experiences that led her to a career as an internationally celebrated mezzo soprano Rubin describes her past as a journey towards identity one she hopes will resonate with young people struggling with two fundamental questions Who am I and Where do I fit in Although most of us aren t blind Rubin believes that many of us have traits that make us something other than normal These differences like blindness may seem like barriers but for the strong and the persistent dreams can overcome barriers no matter how large

they may seem This is what makes her story so unique yet universal and so important for young readers *Blindness and Visual Impairments* Library of Congress (U.S.),National Library Service for the Blind and Pysically Handicapped (U.S.),2018-03 The consumer organizations listed in this reference guide provide direct services to people who are blind or visually impaired including assistance and advisory services information and referral services counseling and employment programs and help finding assistive devices and special format publications Many of the organizations also offer guidance and support to families of people with visual impairments Professional organizations included in this guide serve the interests of eye care providers and those who provide educational and rehabilitation services to people who are blind or visually impaired
