Dr. Justin G. Prock,2020-05-07 YAHWEH The LORD God and His Son YAHSHUAH Jesus Christ made statements with regard to Eschatology that have been Spiritualized for over a Millennium which has led to the belief in Universalism the belief that

YAHSHUAH died for EVERYONE Well after one studies the original languages of the Hebrew Aramaic and Greek the message of the Kingdom of God was preached to and accepted by a certain House in the Bible The other House rejected this message and YAHSHUAH punished that House by taking the Kingdom away from them and giving It to another nation bringing forth fruit There are only the House of Israel the House of Judah and the House of David mentioned in the Bible All three existed then as they do today However most of today s Babylonian Priesthood Churchianity refuses to accept the secular historical position with regard to the House of Israel and who they are today The people groups which YAHWEH and YAHSHUAH addressed still exist today However these people are all mixed up and known by different names but they DO exist This book goes back to the origin of these people groups in the Bible and brings them forward to the present using their old names in order to understand Eschatology This brings us to the major question of Is the Bible only about Israel And if so how does it affect our Eschatology today This book answers these hard questions

The Life and Witness of David Larry R. Helyer, 2020-12-09 The Life and Witness of David introduces the general reader to the remarkable career of David son of Jesse This man streaked across the skies like a meteor and could rightly be called a Hebrew superstar The stories about him are among the most beloved and captivating in Scripture The author distills this amazing story in thirteen chapters and adds a fourteenth to sum up David s legacy in history liturgy and worship David transformed the land of Israel from an insignificant federation of tribes into a Middle Eastern power an extraordinary feat unparalleled in Israel s history His importance however lies less in his military and political accomplishments than in his spiritual and theological contributions In his action packed life and in the book of Psalms David the man after God s own heart speaks through the Spirit of God to our hearts in all the vicissitudes of life At numerous points the author draws attention to moments in David s story that reecho in the pages of the NT David s story prefigures the story of David s greater son Jesus Son of God The typological links connecting David and Christ in redemptive history are a key emphasis in this book

The Triumph of Grace Daniel I. Block, 2017-11-06 The Apostle Paul's negative statements about the law have deafened the ears of many to the grace that Moses proclaims in Deuteronomy Most Christians have a dim view of this book which they consider to be primarily a book of laws However when we read or hear it read orally without prejudice we discover that rather than casting Moses as a legislator he appears as Israel's first pastor whose congregation has gathered before him to hear him preach his final sermons Accordingly Deuteronomy represents prophetic preaching at its finest as Moses seeks to inspire the people of God to a life of faith and godliness in response to God's repeated demonstrations of grace Deuteronomy is a dead book for many because we have not recognized this gospel we have heard only law The essays in this collection arise from a larger project driven by a passion to recover for Christians the life giving message of the Hebrew Scriptures in general and to open their ears to God's amazing grace in Deuteronomy in particular The wide ranging meditations in this volume do not all focus equally on the topic of God's grace but this theme undergirds them all
