State makes budget cuts

Bridget Gonzalez
Editor in Chief

State budget cuts mean the science department at Putnam High School may have to eliminate all labs on labs in the second semester of the school year.

The Putnam Independent School District lost \$2 million in state funding this school year, and supplies for the labs have increased in cost.

The science department is considering replacing most labs with computer simulations, or with labs in which the instructors will perform the experiments themselves. Department chair Clarissa Cano said she fears the move will affect student performance in the regional science fair, but she does not think it will negatively affect test scores.

"Without the lab experiences, students will not be able to learn by doing the experiments themselves," Cano said.

Some science teachers believe that the loss of hands-on learning is a significant concern.

Science labs, like this experiment in burning metals, might be eliminated due to budget cuts. High school officials are discussing this matter in great detail.

Tiger 'Stomp' debut

Hayley Williams
Staff Writer

The Tiger Drumline will debut its "Tiger Stomp" routine at Friday's Pep Rally.

New head director Ashley Skagrin brought the idea of creating a pep routine using only household objects to the drumline this year. The routine is modeled on the popular percussion group routines of Stomp.

"It's a lot of fun. We're using trash can lids, brooms and brooms to make music," Skagrin said.

The line has been practicing in closed-door rehearsals for the past several weeks, but they gave a "test run" at last Thursday's junior high football game.

The full program will be performed at the pep rally and again before the homecoming game.

Spread the word Student Council helps spread breast cancer awareness

Sandra Ojeda
Editor

Student Council is still selling pink wristbands for Breast Cancer Awareness Month.

So far the group has raised over \$1,400 for the Putnam County unit of the American Cancer Society. However, Student Council had not a final raising goal of \$2,200 to beat last year's record.

Student Council president Gabriel Gonzalez said he hopes students will buy enough wristbands before the end of the month to put the club over its goal.

"We really want to do all we can to help find a cure to end breast cancer," he said.

The bands cost \$2 each and are available during all lunches in the cafeteria and in the community area before and after school every day from 8:30 a.m. to 3:30 p.m. on weekdays.

Students will continue to sell wristbands for Breast Cancer Awareness Month. The club is working to raise money for breast cancer awareness.

Tiger's honor hard working custodians

Michael Shekile
Staff Writer

The Tiger Boosters Club honored Putnam High School custodians last week in a special ceremony at last week's pep rally.

The club held an annual Custodian Appreciation Day on Wednesday. Club members provided breakfast, lunch, coffee and snacks to all these staff of custodians.

The event is a school service project for the Tiger Boosters Club, which also holds a Custodian Appreciation Day in May.

Example Of Newspaper:

The British Newspaper Industry John Hill, 2016-04-08 It is never very obvious to spectators of the newspaper business just why it is that the industry has suffered so badly in recent years Most ascribe the reasons to the arrival of the Internet in all its forms when in truth most of its problems were created by the newspaper managements themselves either by weak management in the control of its environment by a serious lack of foresight in looking to the future or by assuming that change if it were to come would be at the slow pace of past change The magisterial attitudes of most newspaper managements served to engender a growing resentment particularly among the advertisers who were forced to pay increased rates to enable the cover prices of the publications to be held down The British Newspaper Industry sets out to distinguish the newspaper industry from the generality of single product organisations and to provide tailored solutions to its problems by drawing on a variety of techniques and practices successfully used in other industries
