FOUNDERS' SON

A LIFE of ABRAHAM LINCOLN

Founders Son A Life Of Abraham Lincoln

Richard Brookhiser

Founders Son A Life Of Abraham Lincoln:

Founders' Son Richard Brookhiser, 2014-10-14 Abraham Lincoln grew up in the long shadow of the Founding Fathers Seeking an intellectual and emotional replacement for his own taciturn father Lincoln turned to the great men of the founding Washington Paine Jefferson and their great documents the Declaration of Independence the Constitution for knowledge guidance inspiration and purpose Out of the power vacuum created by their passing Lincoln emerged from among his peers as the true inheritor of the Founders mantle bringing their vision to bear on the Civil War and the question of slavery In *Founders Son* celebrated historian Richard Brookhiser presents a compelling new biography of Abraham Lincoln that highlights his lifelong struggle to carry on the work of the Founding Fathers Following Lincoln from his humble origins in Kentucky to his assassination in Washington D C Brookhiser shows us every side of the man laborer lawyer congressman president storyteller wit lover of ribald jokes depressive poet friend visionary And he shows that despite his many roles and his varied life Lincoln returned time and time again to the Founders They were rhetorical and political touchstones the basis of his interest in politics and the lodestars guiding him as he navigated first Illinois politics and then the national scene But their legacy with not sufficient As the Civil War lengthened and the casualties mounted Lincoln wrestled with one more paternal figure God the Father to explain to himself and to the nation why ending slavery had come at such a terrible price Bridging the rich and tumultuous period from the founding of the United States to the Civil War *Founders Son* is unlike any Lincoln biography to date Penetrating in its insight elegant in its prose and gripping in its vivid recreation of Lincoln's roving mind at work this book allows us to think anew about the first hundred years of American history and shows how we can like Lincoln apply the legacy of the Founding Fathers to our times

Founders' Son Richard Brookhiser, 2014-10-14 Abraham Lincoln grew up in the long shadow of the Founding Fathers Seeking an intellectual and emotional replacement for his own taciturn father Lincoln turned to the great men of the founding Washington Paine Jefferson and their great documents the Declaration of Independence the Constitution for knowledge guidance inspiration and purpose Out of the power vacuum created by their passing Lincoln emerged from among his peers as the true inheritor of the Founders mantle bringing their vision to bear on the Civil War and the question of slavery In *Founders Son* celebrated historian Richard Brookhiser presents a compelling new biography of Abraham Lincoln that highlights his lifelong struggle to carry on the work of the Founding Fathers Following Lincoln from his humble origins in Kentucky to his assassination in Washington D C Brookhiser shows us every side of the man laborer lawyer congressman president storyteller wit lover of ribald jokes depressive poet friend visionary And he shows that despite his many roles and his varied life Lincoln returned time and time again to the Founders They were rhetorical and political touchstones the basis of his interest in politics and the lodestars guiding him as he navigated first Illinois politics and then the national scene But their legacy with not sufficient As the Civil War lengthened and the casualties mounted Lincoln wrestled with one more paternal figure God the Father to explain to himself and to the

nation why ending slavery had come at such a terrible price Bridging the rich and tumultuous period from the founding of the United States to the Civil War Founders Son is unlike any Lincoln biography to date Penetrating in its insight elegant in its prose and gripping in its vivid recreation of Lincoln s roving mind at work this book allows us to think anew about the first hundred years of American history and shows how we can like Lincoln apply the legacy of the Founding Fathers to our times

Lincoln: The Fire of Genius David J. Kent,2022-09-01 Abraham Lincoln had a lifelong fascination with science and technology a fascination that would help institutionalize science win the Civil War and propel the nation into the modern age Readers will learn through Lincoln The Fire of Genius how science and technology gradually infiltrated Lincoln s remarkable life and influenced his growing desire to improve the condition of all men The book traces this progression from a simple farm boy to a president who changed the world Counter to conventional wisdom subsistence farming provides a considerable education in agronomic science forest ecology hydrology and even a little civil engineering Continuing through a lifetime of self study curiosity and hard work Lincoln became the only President with a patent advocated for technological advancement as a legislator in Illinois and in Washington and became the go to western lawyer on technology and patent cases during his legal career During the Civil War Lincoln drew upon his commitment to science and personally encouraged inventors while taking dramatic steps to institutionalize science via the Smithsonian Institution create the National Academy of Sciences and initiate the Department of Agriculture Lincoln s insistence on high tech weaponry balloon surveillance strategic use of telegraphy and railroad deployment positioned the North to achieve Union victory

Meeting the Moment William Haldeman,2024-11-01 The histories presented here are of a select group of US presidents their inspired leadership characteristics and how they may inspire us today The traits these presidents possessed were cultivated over a lifetime of lived experience and immortalized through the power of the presidential word speeches letters and addresses which collectively represent the most transcendent documents in American history Viewed through the lens of nuance complication human emotion pathos and drama William Haldeman sets forth the lives of these presidents in ways to help inform our own lives from leveraging our experience and instincts to making the right calls when they matter the most Grounded in an interdisciplinary approach Haldeman appeals to both scholars and general audience readers alike offering a refreshing view of presidential leadership that not only elevates leadership as a central part of the scholarly field but also broadly engages American presidency enthusiasts and readers of history biography politics and leadership development

The Loyal Son Daniel Mark Epstein,2018-06-05 The dramatic story of a founding father his illegitimate son and the tragedy of their conflict during the American Revolution from the acclaimed author of The Lincolns Ben Franklin is the most lovable of America s founding fathers His wit his charm his inventiveness even his grandfatherly appearance are legendary But this image obscures the scandals that dogged him throughout his life In The Loyal Son award winning historian Daniel Mark Epstein throws the spotlight on one of the more enigmatic aspects of Franklin s biography his complex and confounding relationship

with his illegitimate son William When he was twenty four Franklin fathered a child with a woman who was not his wife He adopted the boy raised him and educated him to be his aide Ben and William became inseparable After the famous kite in a thunderstorm experiment it was William who proved that the electrical charge in a lightning bolt travels from the ground up not from the clouds down On a diplomatic mission to London it was William who charmed London society He was invited to walk in the procession of the coronation of George III Ben was not The outbreak of the American Revolution caused a devastating split between father and son By then William was royal governor of New Jersey while Ben was one of the foremost champions of American independence In 1776 the Continental Congress imprisoned William for treason George Washington made efforts to win William s release while his father to the world s astonishment appeared to have abandoned him to his fate A fresh take on the combustible politics of the age of independence The Loyal Son is a gripping account of how the agony of the American Revolution devastated one of America s most distinguished families Like Nathaniel Philbrick and David McCullough Epstein is a storyteller first and foremost a historian who weaves together fascinating incidents discovered in long neglected documents to draw us into the private world of the men and women who made America The history of loyalist William Franklin and his famous father has been told before but not as fully or as well as it is by Daniel Mark Epstein in The Loyal Son Mr Epstein a biographer and poet has done a lot of fresh research and invests his narrative with literary grace and judicious sympathy for both father and son The Wall Street Journal

Lincoln's Rise to Eloquence D. Leigh Henson, 2024-08-20 At turns eloquent and earthy Abraham Lincoln s rhetoric played a vital role in his success as a politician and statesman D Leigh Henson examines Lincoln s pre presidential development as a rhetorician the purposes and methods behind his speeches and writings and how the works contributed to his political rise Lincoln s close study of the rhetorical process drew on sources that ranged from classical writings to foundational American documents to the speeches of Daniel Webster As Henson shows Lincoln applied his learning to combine arguments on historical legal and moral grounds with appeals to emotion and his own carefully curated credibility Henson also explores Lincoln s use of the elements of structural design to craft coherent arguments that whatever their varying purposes used direct and plain language to reach diverse audiences and laid the groundwork for his rise to the White House Insightful and revealing Lincoln s Rise to Eloquence follows Lincoln from his early career through the years long clashes with Stephen A Douglas to trace the future president s evolution as a communicator and politician

Abraham Lincoln's Statesmanship and the Limits of Liberal Democracy Jon D. Schaff, 2019-07-26 This bold groundbreaking study of American political development assesses the presidency of Abraham Lincoln through the lenses of governmental power economic policy expansion of executive power and natural rights to show how Lincoln not only believed in the limitations of presidential power but also dedicated his presidency to restraining the scope and range of it Though Lincoln s presidency is inextricably linked to the Civil War and he is best known for his defense of the Union and executive wartime leadership Lincoln believed that Congress should be at the helm of

public policy making Likewise Lincoln may have embraced limited government in vague terms but he strongly supported effective rule of law and distribution of income and wealth Placing the Lincoln presidency within a deeper and more meaningful historical context Abraham Lincoln's Statesmanship and the Limits of Liberal Democracy highlights Lincoln's significance in the development of American power institutions and social movement politics Using Lincoln's prepresidential and presidential words and actions this book argues that decent government demands a balance of competing goods and the strong statesmanship that Lincoln exemplified Instead of relying too heavily on the will of the people and institutional solutions to help prevent tyranny Jon D Schaff proposes that American democracy would be better served by a moderate and prudential statesmanship such as Lincoln's which would help limit democratic excesses Schaff explains how Lincoln's views on prudence moderation natural rights and economics contain the notion of limits then views Lincoln's political and presidential leadership through the same lens He compares Lincoln's views on governmental powers with the defense of unlimited government by twentieth century progressives and shows how Lincoln's theory of labor anticipated twentieth century distributist economic thought Schaff's unique exploration falls squarely between historians who consider Lincoln a protoprogressive and those who say his presidency was a harbinger of industrialized corporatized America In analyzing Lincoln's approach Abraham Lincoln's Statesmanship and the Limits of Liberal Democracy rejects the idea he was a revolutionary statesman and instead lifts up Lincoln's own affinity for limited presidential power making the case for a modest approach to presidential power today based on this understanding of Lincoln's statesmanship As a counterpoint to the contemporary landscape of bitter uncivil politics Schaff points to Lincoln's statesmanship as a model for better ways of engaging in politics in a democracy

The Law of the Land Akhil Reed Amar, 2015-04-14 From Kennebunkport to Kauai from the Rio Grande to the Northern Rockies ours is a vast republic While we may be united under one Constitution separate and distinct states remain each with its own constitution and culture Geographic idiosyncrasies add more than just local character Regional understandings of law and justice have shaped and reshaped our nation throughout history America's Constitution our founding and unifying document looks slightly different in California than it does in Kansas In *The Law of the Land* renowned legal scholar Akhil Reed Amar illustrates how geography federalism and regionalism have influenced some of the biggest questions in American constitutional law Writing about Illinois the land of Lincoln Amar shows how our sixteenth president's ideas about secession were influenced by his Midwestern upbringing and outlook All of today's Supreme Court justices Amar notes learned their law in the Northeast and New Yorkers of various sorts dominate the judiciary as never before The curious *Bush v Gore* decision Amar insists must be assessed with careful attention to Florida law and the Florida Constitution The second amendment appears in a particularly interesting light he argues when viewed from the perspective of Rocky Mountain cowboys and cowgirls Propelled by Amar's distinctively smart lucid and engaging prose these essays allow general readers to see the historical roots of and contemporary solutions to many important

constitutional questions The Law of the Land illuminates our nation's history and politics and shows how America's various local parts fit together to form a grand federal framework

The Fever of 1721 Stephen Coss, 2016-03-08 The intelligent and sweeping Booklist story of the crucial year that prefigured the events of the American Revolution in 1776 and how Boston's smallpox epidemic was at the center of it all In *The Fever of 1721* Stephen Coss brings to life the amazing cast of characters who changed the course of medical history American journalism and colonial revolution Cotton Mather the great Puritan preacher son of the President of Harvard College Zabdiel Boylston a doctor whose name is on one of Boston's avenues James Franklin and his younger brother Benjamin and Elisha Cooke and his protégé Samuel Adams Coss describes how during the worst smallpox epidemic in Boston history Mather convinced Doctor Boylston to try making an incision in the arm of a healthy person and implanting it with smallpox matter Public outrage forced Boylston into hiding and Mather's house was firebombed In 1721 Boston was a dangerous place In Coss's telling the troubles of 1721 represent a shift away from a colony of faith and toward the modern politics of representative government The New York Times Book Review Elisha Cooke and Samuel Adams were beginning to resist the British in the run up to the American Revolution Meanwhile a bold young printer names James Franklin launched America's first independent newspaper and landed in jail His teenaged brother and apprentice Benjamin Franklin however learned his trade in James's shop and became a father of the Independence movement One by one the atmosphere in Boston in 1721 simmered and ultimately boiled over leading to the full drama of the American Revolution Fascinating informational and pleasing to read Coss's gem of colonial history immerses readers into eighteenth century Boston and introduces a collection of fascinating people and intriguing circumstances Library Journal starred review

The Lives of the Constitution Joseph Tartakovsky, 2019-10-08 In a fascinating blend of biography and history Joseph Tartakovsky tells the epic and unexpected story of our Constitution through the eyes of ten extraordinary individuals some renowned like Alexander Hamilton and Woodrow Wilson and some forgotten like James Wilson and Ida B Wells Barnett Tartakovsky brings to life their struggles over our supreme law from its origins in revolutionary America to the era of Obama and Trump Sweeping from settings as diverse as Gold Rush California to the halls of Congress and crowded with a vivid Dickensian cast Tartakovsky shows how America's unique constitutional culture grapples with questions like democracy racial and sexual equality free speech economic liberty and the role of government Joining the ranks of other great American storytellers Tartakovsky chronicles how Daniel Webster sought to avert the Civil War how Alexis de Tocqueville misunderstood America how Robert Jackson balanced liberty and order in the battle against Nazism and Communism and how Antonin Scalia died warning Americans about the ever growing reach of the Supreme Court From the 1787 Philadelphia Convention to the clash over gay marriage this is a grand tour through two centuries of constitutional history as never told before and an education in the principles that sustain America in the most astonishing experiment in government ever undertaken

John Marshall Richard Brookhiser, 2018-11-13 The life of John Marshall Founding Father

and America's premier chief justice. In 1801, a genial and brilliant Revolutionary War veteran and politician became the fourth chief justice of the United States. He would hold the post for 34 years, still a record. Expounding the Constitution, he loved. Before he joined the Supreme Court, it was the weakling of the federal government, lacking in dignity and clout. After he died, it could never be ignored again. Through three decades of dramatic cases involving businessmen, scoundrels, Native Americans, and slaves, Marshall defended the federal government against unruly states, established the Supreme Court's right to rebuke Congress or the president, and unleashed the power of American commerce. For better and for worse, he made the Supreme Court a pillar of American life. In John Marshall, award-winning biographer Richard Brookhiser vividly chronicles America's greatest judge and the world he made.

Lincoln and the American Founding Lucas E. Morel, 2020-06-22. In this persuasive work of intellectual history, Lucas E. Morel argues that the most important influence on Abraham Lincoln's political thought and practice was what he learned from the leading figures of and documents from the birth of the United States. In this systematic account of those principles, Morel compellingly demonstrates that to know Lincoln well is to understand thoroughly the founding of America. With each chapter describing a particular influence, Morel leads readers from the Founding Father George Washington to the founding documents, the Declaration of Independence and Constitution, to the founding compromise over slavery, and finally to a consideration of how the original intentions of the Founding Fathers should be respected in light of experience, progress, and improvements over time. Within these key discussions, Morel shows that without the ideals of the American Revolution, Lincoln's most famous speeches would be unrecognizable, and the character of the nation would have lost its foundation on the universal principles of human equality, individual liberty, and government by the consent of the governed. Lincoln thought that the principles of human equality and individual rights could provide common ground for a diverse people to live as one nation, and that some old things, such as the political ideals of the American founding, were worth preserving. He urged Americans to be vigilant in maintaining the institutions of self-government and to exercise and safeguard the benefits of freedom for future generations. Morel posits that adopting the way of thinking and speaking Lincoln advocated, based on the country's founding, could help mend our current polarized discourse and direct the American people to employ their common government on behalf of a truly common good.

Lincoln's Informer Carl J. Guarneri, 2023-03-17. In a recent poll of leading historians, Charles A. Dana was named among the Twenty-Five Most Influential Civil War Figures You've Probably Never Heard Of. If you have heard of Dana, it was probably from his classic *Recollections of the Civil War* (1898), which was ghostwritten by muckraker Ida Tarbell and riddled with errors cited by unsuspecting historians ever since. *Lincoln's Informer* at long last sets the record straight, giving Charles A. Dana his due in a story that rivals the best historical fiction. Dana didn't just record history; Carl J. Guarneri notes he made it. Starting out as managing editor of Horace Greeley's *New York Tribune*, he led the newspaper's charge against proslavery forces in Congress and the Kansas territory. When his criticism of the Union's prosecution of the war became too much for Greeley, Dana was

drafted by Secretary of War Edwin Stanton to be a special agent and it was in this capacity that he truly made his mark. Drawing on Dana's reports, letters, and telegrams, the most remarkable and instructive collection of official documents relating to the Rebellion according to the custodian of the Union war records, Guarneri reconstructs the Civil War as Dana experienced and observed it: as a journalist, a confidential informant to Stanton and Lincoln, and most controversially, an administration insider with surprising influence. While reporting most of the war's major events, Dana also had a hand in military investigations, the cotton trade, Lincoln's reelection, passage of the Thirteenth Amendment, and most notably, the making of Ulysses S. Grant and the breaking of other generals. Dana's reporting and Guarneri's lively narrative provide fresh impressions of Lincoln, Stanton, Grant, and other Union war leaders. Lincoln's Informer shows us the unlikely role of a little-known confidant and informant in the Lincoln administration's military and political successes. A remarkable inside look at history unfolding, this book draws the first complete picture of a fascinating character writing his chapter in the story of the Civil War.

The Statesman as Thinker Daniel J. Mahoney, 2022-05-24 In *The Statesman as Thinker*, Daniel J. Mahoney provides thoughtful and elegant portraits of statesmen who struggled to preserve freedom during times of crisis: Cicero using all the powers of rhetoric to preserve republican liberty in Rome against Caesar's encroaching autocracy; Burke defending ordered liberty against Jacobin tyranny in revolutionary France; Tocqueville defending liberty and human dignity against blind reaction, democratic impatience, and revolutionary fanaticism; Lincoln preserving the American republic and putting an end to chattel slavery; Churchill defending liberty and law and opposing Nazi and Communist despotism; de Gaulle defending the honor of France during World War II; and Havel fighting Communism before 1989 and then leading the Czech Republic with dignity and grace. Mahoney makes sense of the mixture of magnanimity and moderation that defines the statesman as thinker at his or her best. That admirable mixture of greatness, courage, and moderation owes much to classical and Christian wisdom and to the noble desire to protect the inheritance of civilization against rapacious and destructive despotic regimes and ideologies.

Unfading Light Richard Fritzky, 2020-11-02 Rich Fritzky poses five questions to forty-five individuals who have devoted much, if not all, of their lives to Abraham Lincoln. The individuals reveal what led them to him in the first place, the attribute or fixed mark that sealed their belonging to him, the conversations that they would most have liked to have had with him, the words of his that they were most moved by, and the why and how of his maybe just maybe helping save the soul of the Republic yet again in our own time. Among those interviewed were eleven celebrated Lincoln scholars and historians, the leaders of the National Lincoln Forum, the Abraham Lincoln Association, Lincoln Groups, and Civil War Roundtables from coast to coast; two celebrated Lincoln artists; an array of Lincoln impersonators, including Gettysburg's own curators, animators, professors, teachers, presenters, and more. They so movingly responded, inspiring and driving the author deep into Lincoln's universe and into much material that is not often considered, especially as to racism and race, his shadow boxing with God, his faith and doubt, his exquisite humanity, and extraordinary ability to lead his nation of suffering and the torture it

exacted upon him and his rich reverence for both all that America was and could be *Quest for the Presidency* Bob Riel,2022-04 *Quest for the Presidency* gathers in a single volume the compelling stories behind every presidential campaign in American history from 1789 through 2020 Bob Riel takes us inside the 1800 clash between Thomas Jefferson and John Adams the 1860 election that launched the Civil War the 1948 whistle stop comeback of Harry Truman the Kennedy Nixon drama of 1960 the 1980 Reagan Revolution the historic 2008 election of Barack Obama the turbulent 2020 battle between Joe Biden and Donald Trump and everything in between This engaging and insightful book includes a trove of entertaining stories about campaigns and candidates and it goes beyond the campaign tales to also consider the threads that link elections across time It sheds light on the continually evolving story of American democracy in a way that helps us to better understand present day politics **Abraham Lincoln, Statesman Historian** Jesse Derber,2024-09-24 Abraham Lincoln

drew upon history in his political career and particularly when crafting the rhetorical masterpieces that still resonate in the present day Jesse Derber explores how Lincoln s views of the limits of human understanding drove a belief in and untiring pursuit of historical truth Lincoln embraced the traditional ideas that good history made good statesmanship and that an understanding of the past informed decision making in the present Seeing history as a source of wisdom Lincoln strove for accuracy through a combination of research reasoning ability emotional maturity and a willingness to admit his mistakes and challenge his biases His philosophy flowed from an idea that authentic history could enlighten people about human nature Though he revered precedents Lincoln understood the past could be imperfect and that progress through change was an ineffable part of building a better nation Perceptive and revealing *Abraham Lincoln Statesman Historian* looks at how the Lincoln practiced history and applied its lessons to politics and leadership **Papers in Illinois History and Transactions**

for the Year Illinois State Historical Society,1917 *American Treasures* Stephen Puleo,2016-08-30 The dramatic never before told stories behind the Declaration of Independence the Constitution and the Gettysburg Address America s crown jewels that define its commitment to freedom *The Triumph of William McKinley* Karl Rove,2015-11-24 A fresh look at President William McKinley from New York Times bestselling author and political mastermind Karl Rove a rousing tale told by a master storyteller whose love of politics campaigning and combat shines through on every page Doris Kearns Goodwin Pulitzer Prize winning author of *Team of Rivals* The 1896 political environment resembles that of today an electorate being transformed by a growing immigrant population an uncertain economy disrupted by new technologies growing income inequality and basic political questions the two parties could not resolve McKinley s winning presidential campaign addressed these challenges and reformed his party With a sure touch and professional eye *The Washington Post* Rove tells the story of the 1896 election and shows why McKinley won creating a governing majority that dominated American politics for the next thirty six years McKinley a Civil War hero changed the arc of American history by running the first truly modern presidential campaign Knowing his party needed to expand its base to win he reached out to diverse ethnic groups seeking

the endorsement of Catholic leaders and advocating for black voting rights Running on the slogan The People Against the Bosses McKinley also took on the machine men who dominated his own party He deployed campaign tactics still used today including targeting voters with the best available technology Above all he offered bold controversial answers to the nation s most pressing problem how to make a new more global economy work for every American and although this split his own party he won the White House by sticking to his principles defeating a champion of economic populism William Jennings Bryan Rove brings to life the drama of an electoral contest whose outcome seemed uncertain to the candidate and his handlers until the end The New York Times Book Review in a lively and rigorous book The Wall Street Journal that will delight students of American political history

Unveiling the Magic of Words: A Review of "**Founders Son A Life Of Abraham Lincoln**"
