Four Armageddons 4 Destructions Of Mankind And Why They Happened:

Four Armageddons Steve Preston, 2014-12-01 Three times Mankind has almost been destroyed yet survived the last Armageddon will be the end but not knowing what happened in the first 3 make the possibility of wars that could lead to complete destruction Our Earth is not stable and our life is not for certain This book tell what happened and what will happen in all 4 Armageddons *False Dawn* Lee Penn, 2004 The interfaith movement which began with the 1893 World s Parliament of Religions in Chicago has grown worldwide Although this movement has been largely unknown to the public it now provides a spiritual face for globalization the economic and political forces leading us all from nationalism to One World The most ambitious organization in today s interfaith movement is the United Religions Initiative URI founded by William Swing the Episcopal Bishop of California Investigative reporter Lee Penn a Catholic ex Marxist exhaustively documents the history and beliefs of the URI and its New Age and globalist allies the vested interests that support these movements and the direction they appear to be taking The interfaith movement is no longer merely the province of a coterie of little heeded religious idealists with grandiose visions The URI s proponents have ranged from billionaire George Soros to President George W Bush from the far right Rev Sun Myung Moon to the liberal Catholic theologian Hans K ng and from the Dalai Lama to the leaders of government approved Protestant churches in the People s Republic of China The interfaith movement including the URI is being promoted by globalist and New Age reformers who favor erosion of national sovereignty marginalization of traditional religions establishment of global governance and creation of a new Earth based global spirituality in effect a one world religion Therefore the URI and the interfaith movement are poised to become the spiritual foundation of the New World Order the new civilization now proposed by Mikhail Gorbachev the last leader of the Soviet Union In *The Reign of Quantity and the Signs of the Times* French metaphysician Ren Gu non spoke of the anti tradition the forces of materialism and secular humanism finally giving way to the counter tradition the satanic inversion of true spirituality leading to the regime of Antichrist The anti tradition weakens and dissolves traditional spiritualities after which the counter tradition sets up a counterfeit in their place Since Gu non s time as is well known anti traditional forces have greatly advanced worldwide It is less well known that counter traditional movements have also made great strides and now stand closer to the centers of global political and religious power than ever before The counter tradition is making inroads on the political and cultural Right as much as it is doing on the Left *False Dawn* painstakingly documents these trends and speculates on their future development In so doing the author takes investigative reporting to the threshold of prophecy and gives us a stunningly plausible picture of the global religious landscape of the 21st century This extraordinary project is the literary equivalent of turning over a flat rock There is much to be seen and learned here all of it unsettling disquieting occasionally downright scary William Murchison Radford Distinguished Professor Baylor University When a bishop of a Christian church happily worships alongside a Wiccan invoking other gods something has gone horribly wrong In *False Dawn*

Lee Penn has produced a comprehensive and critical history of the United Religions Initiative This book sounds a clear warning Anyone who makes theological truth subservient to utopianism denigrates all religions Douglas LeBlanc Editor GetReligion org

Armageddon Clive Ponting, 2012-02-29 Fifty years after the end of World War II Clive Ponting provides a major reassessment of the most destructive conflict in human history one in which 85 million people died Armageddon avoids conventional chronological accounts in order to concentrate on the deeper forces shaping the origins course and outcome of the war across the globe It analyses how and why the war spread from being a limited European conflict to the only global war why countries were dragged into the fighting and how only a small number of neutral states escaped It compares the two alliances how they mobilized their resources and their strategies for victory It avoids a detailed description of how commanders maneuvered on the battlefield and concentrates instead on the impact the war had on individual soldiers sailors and airmen Equally important is the fate of hundreds of millions of civilians How did they survive occupation and what did resistance collaboration and liberation really involve and what happened at the end of the war Armageddon has a truly global sweep combined with an eye for detail and provides fascinating comparisons from a multi faceted war It contains new facts asks provocative questions and challenges many of the common assumptions about the war It is a compelling new inquiry

Expecting Armageddon Jon R. Stone, 2011 The expectation of an end to time and the yearning for a millennial paradise have been recurring themes in Western religious thought But when we speak of expectation of the world s end we are mindful of the fact that generation after generation of millenarians have been disappointed Their endtime hopes and prophecies have not come true What happens one might ask when prophecies fail Does failure spell the end of the very movements that embrace such expectations The aim of this anthology is to gather together in one volume the essential research from the fields of sociology and ps

Raymond Jackson,1975-07-15 Today we are approaching a subject about which for years I searched for the answer tried to link together certain verses of scripture in the Book of Revelation How often we read over something never once laying any importance on some certain word such as woe when that may be the very word which holds the key to unlock the hidden mystery The word WOE found in Rev 8 12 13 under the fourth trumpet certainly has no reference to the term Whoa used in the sense of stopping a team of horses No On the contrary Webster s Dictionary defines WOE as relating to extreme sorrow to extreme grief As a matter of fact WOE used here indicates to be immersed covered in grief or sorrow Dispensational Truth, Or God's Plan and Purpose in the Ages Clarence Larkin,2010-07-01 The Reverend Clarence Larkin was one of the most widely influential pop theologians of the early twentieth century his works are the source of many of the prophecies and truths end times Christians hold to even today This stupendous 1918 book perhaps his greatest work is the result of more than 30 years worth of the author informs us careful

The Sequence Steven R. Bates, 2024-08-30 Sometimes the best way to let one know what something is is to let one know what it isn't Today's typical academic book in eschatology provides the reader with a brief history of the various positions in the field followed by why certain positions should be considered the better options This is not that book Over the course of twelve chapters six sequences will be presented from the three major sources in the New Testament regarding the subject i.e. Paul's letters to the Thessalonians the Olivet Discourse and John's visions in Revelation Through a careful reconciliation of those six sequences Dr Steven R Bates will show that there's only one sequence of end times which he has labeled The Post Armageddon Premillennial Resurrection He asserts that had any other sequence of end times been correct whether pre tribulationism pre wrath mid tribulationism historic pre millennialism post millennialism a millennialism preterism or any other sequence that one could possibly imagine then the proponents of that postulation should be able to take the same six sequences from Scripture and reconcile them precisely with one another sentence by sentence and prove whatever sequence they propose But of course no one will ever attempt such an endeavor because it's theoretically impossible Scripture's six sequences only confirm one sequence and it is the one which has been presented in The Sequence

The Ever War Elder Conrad Jarrell, 2015-08-23 The King James Bible teaches that God created the entire universe in Six Days that all the Holy Angels for they all still were sang together and shouted for joy and that God saw that Everything that He had made was very Good for it all still was Then the Seventh Day Everything changed save only God the Elect Holy Angels and their heavenly Abode This book is about Who and What and Why and How those Changes were made It is the Story of Life and Death Holiness and Sin Heaven and Hell Angels and Demons The Seed of The Woman and The Seed of The Serpent It is the Story of the single Throne of God and of many Unidentified Flying Objects It is the Story of the Human Race and of Another Race which only looks human and of still Others which don't at all It is the Story of an Innocent Man Who died on a Cross and rose to be Lord on the Throne of Heaven and of a Guilty Cherub who fell from Glory and will rot forever in a Lake of Fire This book is The Story of The Ever War

Escape from Armageddon Samuel E. West, 2002 Through a study of Biblical teachings commentaries and ecclesiastical histories you will learn exactly what Apocalyptic events are coming on the earth when they are coming why God is bringing such judgments who will be most affected and what escape has been provided by God Learn about the 7000 year dateline of mortal man The first 2000 years was the Patriarchal Age Adam to Abraham Next was the 2000 year Time of Israel The next 2000 years was the Time of Gentiles The last 1000 years will see Jesus return to

the house of Israel gather them from heaven and earth and establish them as His people for the thousand year Sabbath of Creation and eternity Heaven will be here on earth with a New Jerusalem in North America and with Jerusalem as the cities of God and Jesus The Bible teaches all of the Apocalyptic events will occur by 2007 Man cannot begin to imagine the horror of these events They will make the Great Flood seem like a brief shower Only a third of the house of Israel is to survive Gentiles will be as though they had not been The world is to be scourged with asteroid comet impacts fire hail pestilence famine and a deacease that will end all nations Death will be more common than life Only a relatively few will survive Here is the untold story of why God stopped speaking to man in 99 AD and when He was to speak again The Bible tells how a beast kingdom destroyed the Church of Christ divine authority and finally every saint of God on the earth Learn how Constantine in 325 AD amalgamated pagan Rome with Christianity and created this beast of Revelations that was to rule supreme over the souls of man for 1260 years Discover how the Bible provides the true story of this beast the image of the beast the mark of the beast and antiChrist There was to be a brief restoration of divine authority in the last days and then only a very small remnant would remain to offer escape When Jesus returns He is to destroy those who do not know God and do not obey the gospel This book reveals the true character attributes and will of God Here is the true identity of Jesus Christ Learn of the original gospel of Christ The relationship between God and His people is traced from Adam to the end of mortal man Most important here is the only Biblical escape from Armageddon and path to eternal life *Now Behold...The Ancient of Days* T.J. Collins,2002-12 God Pursues People To The End Of The Age John Behner Valerius,2018-04-03 This age will end when all things in heaven and all things on earth are brought together under the lordship of Jesus Christ At that time a thousand year reign of Christ the millennial kingdom on earth will commence This book follows the book of Revelation in a comprehensive survey of the prophesied events that conclude in the establishment of this kingdom Jesus offers a blessing to whoever will read hear and heed his prophecy **The Encyclopedia of Bible Prophecy** Ted Kresge,1998 All Power to the Lamb James R. Johnson,2011-04 If you were God writing a book you wanted men to understand would you write it in such a way that men would have to make up meaning in order to understand it or would you write it in such a way that those that seek to understand could actually come to a knowledge of its truth Mt 7 7 The present commentary takes the position that God wrote Revelation such that with sufficient effort and intellectual honesty readers can understand it Certainly God uses symbols in Revelation but when He does He provides inspired interpretations of the symbols This commentary seeks to avoid the mistakes of the views that use the symbolical approach to Revelation preterist continuous historical spiritualist and idealist These approaches suffer from two basic flaws assuming the text is symbolical when it is not and making up meaning regarding the text based on stream of consciousness word association much as one would do looking at Rorschach inkblots This commentary seeks to avoid telling God what He should have said and strives to understand what God actually meant Of all the existing approaches to understanding Revelation this commentary is most closely aligned with the dispensationalist

premillennialist Left Behind view in that it views Revelation from a literalist perspective It is different from the typical dispensationalist schema in that it views the seven seals as the powers of the Lamb understands the exercise of the powers of the seven seals to be simultaneous processes and casts chapters 8-22 as three parallel prophecies of the Lamb's power over the course of the histories of Israel the nations and the saints This commentary also makes use of many of the non canonical works that provide insight into the spirit world and detail regarding the end of the present age
