Fox News Report On Sarah Palin:

The Persecution of Sarah Palin Matthew Continetti, 2009-11-12 The real story of the Republican vice presidential nominee and her collision with the elite liberal media As the second woman ever nominated as a candidate for vice president Alaska governor Sarah Palin became an instant phenomenon Americans were enthralled by a woman with charm ambition natural political talent and a passion for conservative values But the fascination of ordinary people quickly drew an unprecedented attack from the media elite and liberal activists Far beyond the normal bounds of tough questions and challenges Palin s enemies decided that nothing was too personal to attack including her marriage her children her faith and her ward robe The media distorted Palin s positions and beliefs beyond recognition And almost every word out of her mouth was spun as a flub Weekly Standard writer Matthew Continetti reveals the true story of the 2008 Republican vice presidential nominee and her persecution by the elites who tried to hide their bias with solemn declarations of objectivity Continetti offers fresh examples of malicious spin and deceit and shows how liberal snobbery has become a driving force in American politics Palin s ordeal has become a rallying cry for the GOP in the Obama era This perceptive book is a must read for conservatives who want to understand what really happened and how to avoid a repeat

The Branding of Right-Wing Activism

Khadijah Costley White, 2018-08-02 From the start of Barack Obama s presidency in 2009 conservative populist groups began fomenting political fractiousness dissent and surprising electoral success The Tea Party was one of the major characters driving this story But as Khadijah Costley White argues in this book the Tea Party s ascent to major political phenomenon can be attributed to the way in which partisan and non partisan news outlets branded the Party as a pot stirrer in political conflicts over race class and gender In other words the news media played a major role in developing cultivating and promoting populism s brand particularly within the news spaces of commentary and opinion Through the language of political marketing branding and promotion the news media not only reported on the Tea Party but also acted as its political strategist and brand consultant Moreover the conservative press acted more as a political party than a news medium deliberately promoting the Tea Party and aiding in organizing headlining and galvanizing a conservative political base around specific Tea Party candidates values and events In a media environment in which everyone has the opportunity to tune out tune in and speak back The Branding of Right Wing Activism ultimately shows that distinctions between citizens journalists activists politicians celebrities and consumers are more symbolic than concrete

The Lies of Sarah Palin

Geoffrey Dunn, 2011-05-10 In The Lies of Sarah Palin Geoffrey Dunn provides the first full scale and in depth political biography of the controversial Republican vice presidential candidate and former governor of Alaska Based on more than two hundred interviews many of them with Republican colleagues and one time political allies of Palin s and more than forty thousand pages of uncovered documents Dunn chronicles Palin s troubling penchant for duplicity in grim detail from her dysfunctional childhood in Wasilla through her contentious run for mayor and her failed governorship of Alaska He also provides the

shocking inside story of her betrayal of running mate John McCain during the 2008 presidential campaign and her self serving resignation as governor in July of the following year Dunn deftly places Palin in the American tradition of right wing demagogues from Huey Long to Joe McCarthy and details her troubling obsession with Barack Obama as it fuels her own political ambitions and a potential run for the presidency in 2012 *The Lies of Sarah Palin* is a journalistic tour de force that vividly reveals the Queen of the Tea Party movement as a vengeful and manipulative empress without clothes This is the definitive book on Sarah Palin *Sarah Palin* Carolyn Kraemer Cooper,2010-11-02 This objective well researched biography tells the story of the woman whose meteoric rise to the 2008 Republican vice presidential candidacy made history Sarah Palin A Biography offers a candid yet unbiased look at the charismatic politician who became the first female nominee on a Republican national presidential ticket Covering her early childhood her high school and college years her ascendancy from the two term mayor of Wasilla to the Alaskan governorship the 2008 McCain Palin campaign and her position as potential 2012 Republican party standard bearer Sarah Palin looks at the crucial life experiences that brought Governor Palin to the forefront of American politics Going beyond the caricatures and politically motivated portraits it offers a compelling story of remarkable achievement over numerous obstacles of a modern frontier woman whose politics reflect the unmistakable influences of family faith and hard work *The Primary Solution* Nick Troiano,2024-02-27 In a divided America the biggest solvable problem fueling political extremism and dysfunction is hiding in plain sight party primaries The Primary Solution is the thought provoking Arnold Schwarzenegger answer the country needs Congress has become an unproductive and unaccountable mess Polls show that only twenty percent of Americans think it s doing a good job yet ninety percent of incumbents are reelected This shocking discrepancy is a natural outcome of our system of party primaries and their polarizing incentives Party primaries were invented over a century ago to democratize candidate nominations but today their exclusionary rules and low turnout guarantee the exact opposite only a small fraction of votes wind up deciding the vast majority of our elections The result is a Congress that rather than representing a majority of Americans is instead beholden to the fringes of both major parties This is the primary problem in our politics today Fortunately The Primary Solution illuminates a powerful yet practical pathway out James Stavridis Admiral US Navy Retired and is a must read for anyone who wants a sane democracy Danielle Allen author of *Our Declaration* Nick Troiano founding executive director of Unite America makes a bold proposal to abolish party primaries in our country Doing so does not require a Constitutional amendment or an act of Congress In fact several states have already replaced party primaries with nonpartisan primaries that give all the voters the freedom to vote for any candidate in every election regardless of party A fresh timely political analysis Kirkus Reviews The Primary Solution offers voters across the political spectrum a realistic roadmap to a more representative and functional democracy **Sarah Palin Rendezvous with Liberty** Mark Nusbaum,2009-11 Chronicling Governor Palin s life Mark Nusbaum reveals the real Sarah Palin amidst the political turmoil unfolding around her [Evangelical Christians and](#)

Barack Obama Burton I. Kaufman, 2022-03-15 In this insightful biography Burton I Kaufman explores how the political career of Barack Obama was marked by conservative tendencies that frustrated his progressive supporters and gave the lie to socialist fearmongering on the right Obama's was a landmark presidency that paradoxically Kaufman shows resulted in few if any radical shifts in policy Following his election President Obama's supporters and detractors anticipated radical reform As the first African American to serve as president he reached the White House on a campaign promise of change But Kaufman finds in Obama clear patterns of classical conservatism of an ideological sort and basic policy making pragmatism His commitment to usher in a multiracial multiethnic and multicultural society was fundamentally connected to opening up but not radically altering the existing free enterprise system The Affordable Care Act arguably President Obama's greatest policy achievement was a distillation of his complex motivations for policy More conservative than radical the ACA fitted the expansion of health insurance into the existing system Similarly in foreign policy Obama eschewed the use of force to affect regime change Yet he kept boots on the ground in the Middle East and supported ballot box revolts geared toward achieving in foreign countries the same principles of liberalism free enterprise and competition that existed in the United States In estimating the course and impact of Obama's full political life Kaufman makes clear that both the desire for and fear of change in the American polity affected the popular perception but not the course of action of the forty fourth US president

Sex Scandals in American Politics Alison Dagnes, 2011-09-15 From the misbehavior of President Clinton to Governor Mark Sanford's Argentinean tryst sex scandals have become a prominent feature of American public life This unique collection of essays explains why politicians elected for their leadership and promises of ethical behavior risk their career and the socio political consequences of their actions It argues that political sex scandals are distinct from other types of sex scandals because the nature of elected office is very different from civilian

Wright, 2011-04-30 On November 4 2008 the election of Barack Hussein Obama as the forty fourth president of the United States showed that the country had finally overcome its most hurtful shameful and enduring legacy slavery Though Obama s election showed progress the John McCain Sarah Palin campaign and the Republican Party used age old smear campaign tactics Their operators pulled out all the stops in an attempt to win and spread falsehoods about Obama that have only multiplied after the election The Obama Haters seeks to answer the following questions Who are these Obama haters Why do they despise him Why do various news organizations commentators and political entities treat the same facts differently Why are these pundits so powerful In order to do so Wright first lays out the democratic principles and civility toward which Americans should strive Next he investigates the persistent expressions of hatred for President Obama connecting historic antecedents of political mudslinging along with the background of virulent right wing smear tactics over the past two decades And finally he shines a harsh spotlight on the haters and fearmongers and their tactics While Americans have the right to criticize their political leadership their reasons for disapproval should be based on facts Those who invent and repeat lies to hurt the reputation of leaders weaken the democratic ideal This book is for anyone who wishes to learn how to cut through the hypocrisy and propaganda to make informed decisions based on truth The Loudest Voice in the Room Gabriel

Sherman, 2017-02-14 A revelatory journey inside the world of Fox News and Roger Ailes the brash sometimes combative network head who helped fuel the rise of Donald Trump NEW YORK TIMES BESTSELLER NOW A SHOWTIME LIMITED SERIES NAMED ONE OF THE BEST BOOKS OF THE YEAR BY NPR When Rupert Murdoch enlisted Roger Ailes to launch a cable news network in 1996 American politics and media changed forever With a remarkable level of detail and insight Vanity Fair magazine reporter Gabriel Sherman puts Ailes s unique genius on display along with the outsize personalities Bill O Reilly Sean Hannity Megyn Kelly Sarah Palin Karl Rove Glenn Beck Mike Huckabee Gretchen Carlson Bill Shine and others who have helped Fox News play a defining role in the great social and political controversies of the past two decades From the Clinton Lewinsky scandal to the Bush Gore recount from the war in Iraq to the Tea Party attack on the Obama presidency Roger Ailes developed an unrivaled power to sway the national agenda Even more he became the indispensable figure in conservative America and the man any Republican politician with presidential aspirations had to court How did this man become the master strategist of our political landscape In revelatory detail Sherman chronicles the rise of Ailes a frail kid

from an Ohio factory town who through sheer willpower the flair of a showman fierce corporate politicking and a profound understanding of the priorities of middle America built the most influential television news empire of our time Drawing on hundreds of interviews with Fox News insiders past and present Sherman documents Ailes's tactical acuity as he battled the press business rivals and countless real and perceived enemies inside and outside Fox Sherman takes us inside the morning meetings in which Ailes and other high level executives strategized Fox's presentation of the news to advance Ailes's political agenda provides behind the scenes details of Ailes's crucial role as finder and shaper of talent including his sometimes rocky relationships with Fox News stars such as O'Reilly Hannity and Carlson and probes Ailes's fraught partnership with his equally brash and mercurial boss Rupert Murdoch Roger Ailes's life is a story worthy of Citizen Kane Featuring an afterword about Ailes's epic downfall during the extraordinary 2016 election *The Loudest Voice in the Room* is an extraordinary feat of reportage with a compelling human drama at its heart *Assessing the Language of TV Political Interviews* Gianmarco Vignozzi, 2019-06-10 This book presents a thorough quantitative and qualitative corpus assisted investigation of the language employed in a specialized communicative activity type namely the political interview aired on British and American Sunday morning talk shows More specifically interviewers and interviewees' turns are analyzed here so as to unveil the stratification of discourses characterizing their speech which inevitably favours the proliferation of a mixture of different lexico-grammatical traits and pragmatic functions Previous studies in this field mainly adopt a conversation analysis approach thus focusing on turn allocation and organization This book adds a different perspective by resorting to a combination of corpus-driven and corpus-based techniques in the study of a specifically designed corpus of contemporary TV political interviews the result being a comprehensive investigation of the genre The analysis tackles both specialized language aspects and variation between spoken and written English in the genre at stake Throughout the study linguistic forms are associated when relevant with their pragmatic functions in context bringing to the fore for example differences between the ways in which interviewers and interviewees interact with each other and with the audience Particular emphasis is also placed on salient distinguishing traits characterizing American and British interviews **MADONNA: Unstoppable! (Revised & Enlarged Edition)** Pradeep Thakur, 2010-09-13 *Blind Allegiance to Sarah Palin* Frank Bailey, Ken Morris, Jeanne Devon, 2011-05-24 This explosive up close view of Sarah Palin comes from an inner circle confidant who shares surprising information about how Sarah dealt with staff and perceived enemies and the discrepancy between what she said and what she did **Focus On: 100 Most Popular 20th-century American Politicians** Wikipedia contributors, *Issues for Debate in Social Policy* CQ Researcher, 2014-05-27 This collection of non-partisan reports focuses on 18 hot button social policy issues written by award-winning CQ Researcher journalists As an annual that comes together just months before publication the volume is as current as possible And because it's CQ Researcher the social policy reports are expertly researched and written showing all sides of an issue Chapters follow a consistent organization exploring three issue questions then offering background current

Boss Rove Craig Unger, 2012-09-04 The epic 2012 presidential contest between President Barack Obama and Republican candidate Mitt Romney represents the stunning comeback of GOP boss Karl Rove the brilliant political operator whose scorched earth partisanship infamously earned him the moniker Bush's Brain and provoked some observers to label him as dangerous to American democracy How after leaving the Bush administration in disgrace did Rove rise again and what does it mean that he is back in power This timely meticulous account by New York Times bestselling investigative reporter Craig Unger provides the surprising and disturbing answers KARL ROVE the man who masterminded the rise of George W Bush from governor of Texas to the presidency who advised Bush during two wars in Iraq and Afghanistan who some claim helped seize the 2004 election for Bush and who was at the center of the Bush administration's two biggest scandals the Valerie Plame Wilson affair and the U S attorneys scandal is back Since exiting the Bush administration Rove has quietly become the greatest Republican power broker in the country His pulpit is much vaster than his role as a commentator on Fox News and his regular columns for the Wall Street Journal suggest His real strength is his ability to mobilize immense sums through the SuperPAC American Crossroads and similar organizations and channel that money on behalf of Republican candidates Knowing that Rove remains connected and powerful Unger investigates Rove's politically controversial activities of times past shedding important new light on them and shows their relevance to his activities today He scrutinizes Rove's roles in the Valerie Plame Wilson affair the U S attorneys scandal the strange events in Ohio on the night of the 2004 presidential election and much more But now that Rove is back in control of GOP political strategy and funding there are pressing new questions How did Rove do an end around on the Republican National Committee and build his own more powerful organization In what ways did he subtly and not so subtly influence the 2012 Republican primary process What did he say and do regarding candidates Rick Perry Herman Cain Michele Bachmann Newt Gingrich and Rick Santorum How did he placate the Tea Party which he privately despises even as he cleverly marginalized its importance How did he and Mitt Romney draw closer as the GOP convention neared How will he further benefit from a Romney victory And if Romney loses why will Rove remain powerful Unger has the answers As demonstrated in his previous books Unger is adept at combining incisive reporting with the journalistic record to create a master narrative that sheds new light on a political subject Detailed fascinating and entertaining Boss Rove will interest not only readers who want to know more about the 2012 election but also those keen to understand the forces endangering American democracy This up to the minute journalistic report sheds crucial light on Rove's vital behind the scenes role in this fall's presidential election and in the future of American politics

Modern Political Campaigns Michael D. Cohen, 2012-03-26 Modern Political Campaigns brings together academic and practical considerations to help understand how professionalism technology and speed have revolutionized elections creating more voter centric races for public office Cohen's masterclass overview will appeal to

students and political activists interested in working in political campaigns **Distorted Landscape** Philip J.

Eveland, 2013-04 Polls indicate that the newsrooms and editorial boards of America's largest news organizations are overwhelmingly populated with self-described progressives or Leftists. This high concentration of Leftists in newsrooms has created an echo chamber that insulates journalists, editors, and producers from opposing viewpoints and alternative political opinion. Timely and hard hitting, *Distorted Landscape* examines the deceptively false narratives crafted by Leftists in the media and by politicians about the issues of guns and race, war and peace, and wealth and charity. Philip J. Eveland shows how journalists along with their political comrades who possess this echo chamber mentality slant the narrative toward the political Left. Eveland presents several examples of how the media's Leftist bias distorts the landscape of current affairs and politics, distracting the public's attention away from the core issues by instead focusing on the symptoms rather than the causes of the chronic problems plaguing the nation. His blunt critique of this disturbing trend makes a strong case for greater transparency among politicians and the media. Gain a new appreciation for the depth and extent of Leftist media bias and learn how to glean the truth on the issues of today with *Distorted Landscape*. *Profiles in Ignorance* Andy

Borowitz, 2022-09-13 NEW YORK TIMES BESTSELLER WALL STREET JOURNAL BESTSELLER WASHINGTON POST BESTSELLER Andy Borowitz, one of the funniest people in America, CBS Sunday Morning brilliantly chronicles our embrace of anti-intellectualism in American politics from Ronald Reagan to Dan Quayle, from George W. Bush to Sarah Palin to its apotheosis in Donald J. Trump. Andy Borowitz has been called a Swiftian satirist. The Wall Street Journal and one of the country's finest satirists, The New York Times, millions of fans, and New Yorker readers enjoy his satirical news column, The Borowitz Report. Now in *Profiles in Ignorance*, he delivers a wittily alarming polemic that tracks the evolution of American politics from grounds for gravitas to festival of idiocy. The New York Times, Borowitz argues, that over the past fifty years, American politicians have grown increasingly allergic to knowledge, and mass media have encouraged the election of ignoramus by elevating candidates who are better at performing than thinking. Starting with Ronald Reagan's first campaign for governor of California in 1966 and culminating with the election of Donald J. Trump to the White House, Borowitz shows how during the age of twenty-four-hour news and social media, the US has elected politicians to positions of great power whose lack of the most basic information is terrifying. In addition to Reagan, Quayle, Bush, Palin, and Trump, Borowitz covers a host of congresspersons, senators, and governors who have helped lower the bar over the past five decades. *Profiles in Ignorance* aims to make us both laugh and cry: laugh at the idiotic antics of these public figures and cry at the cataclysms these icons of ignorance have caused. But most importantly, the book delivers a call to action and a cause for optimism. History doesn't move in a straight line, and we can change course if we act now.
