*THE HEALING OF FAMILIES* Fr.Yozefu B Ssemakula,2011-12-31 This book will teach you step by step how to tackle in prayer the process for healing you and your family This is what is called praying effectively about those stubborn problems in life This book has been monumental in its field Since its publication in 2011 to date Fr Yozefu has been invited to speak in 38 countries and to lead thousands of families on their journey to healing and in many of these countries more than several times It s a process that has proved its worth with a long trail of wonderful results wherever the Healing of Families Seminar has gone in the world This book is a representation of that program very accessible to anybody who cares to pay attention while reading no jargon and no complicated theological concepts to battle with The author makes everything so simple and clear that even people who have been out of church for decades read it understand it and know what to do immediately in order to begin the prayer process for their family s healing This book has also been a favorite of many an exorcist in the world handling very tough situations in a very simple calm and tranquil and yet very effective way It too doubles as a manual for pastors who want to lead families under their care to access the healing that Christ has for them but which has eluded them for a very long time This book really demystifies healing prayer and the author clearly shows how the power of the healing Christ is so available to every baptized believer in Christ as Christ Himself states it in Mk 16 16 17 This book has made these words of Jesus come alive today in a very powerful and pulpable way for so many Christian families around the world Whereas we usually thought of healing prayer as applicable to just individuals we discover here that it actually can be extended to entire families and effectively so

*The Sufferings of Families* Mary Juliana Brice,2014-11-26 Le bab kanmawad ou pwi dife wouze sa ou which means when your friends beard gets caught on fire sprinkle yourswhile writing this book I have tried to relate to all that was revealed to me during my prayer time and to share it with others So after reading this book you too should be ready to assist others as best as you can in dealing with their lifes journey Through the experiences which you have encountered and survived you will recognise their difficulties and be charitable to them as they battle through the conflicts in their lives

[Healing You and Your Family Tree](#) Father Christopher Ngozi Onuoha,2022-08-01 Generational and family curses and bondage are real distressful experiences that plague and cause us suffering they complicate and make personal and family life hard and unnecessarily burdensome Healing You and Your Family Tree is written to address and counter this assault on families by evil forces and their often hidden and unsuspecting agents It outlines twelve comprehensive open doors to bondage and gives insights on how to recognize the operations of demonic powers behind them and the loopholes mechanisms and tactics that lead to bondage This well researched and detailed book is a useful guide to discern family curses that may be causing spiritual distress the steps necessary to close the doors to evil and how the power of prayer and intercession in the Spirit opens doors to grace and freedom through faith in the Holy Name of Jesus Prayer is the antidote to evil and the master key to healing Prayer is the life of the soul as water is the life of fish To

pray well is to dwell and move in God Saint Alphonsus Liguori said those who pray will be saved those who do not pray will not be saved The contemplative approach to healing has a special place for the prayer initiative as the gateway to freedom God indeed governs the world but prayer governs God The prayer of faith that saves and heals rests on four solid pillars of prayer penance silence and solitude We learn to pray by praying when we do we move mountains and overturn worldly kingdoms God's reign takes root in our hearts to make all things new in the love of the risen Christ Christians born again and inserted into Christ by the Spirit in Baptism united and strengthened in Him through Confirmation and the Sacraments are prepared for victory in spiritual combat This book equips readers with the knowledge and tools needed to succeed in battles against evils It prepares believers to gain vital knowledge of self and God and outlines principles for daily victories in spiritual warfare with the strength of self knowledge grounded in the truth of God's unconditional love for us and the armor of light we need to stand firm in faith and to resist and overcome evil Our senses thoughts feelings and desires help us to navigate the challenging road of suffering due to generational curses This book helps us to engage our reason and faculties and gifts to cooperate with God's grace to receive healing We are assured that the ultimate solution to generational suffering lies in the committed and intense relationship with Jesus Christ in a life of charity rooted in truth humility moral purity and personal holiness for the one purpose of acquiring purity of heart by which we see God It emphasizes the supreme power and effectiveness of Christ's perpetual priestly sacrifice in setting all captives free and alerts readers to the unseen but game changing Spirit inspired intercession of the contemplative approach to healing Contemplation intensifies God's fire power in us through the Holy Spirit we share in Divine intimacy and are enabled to fight the good fight against the crosses of bondage with a sure and humble resignation to God's Divine and always Victorious will

Commission on Disturbances During April, 1949,1950* *The Healing of Families* Yozefu B. Ssemakula,2011-12-15 This is a book about how to effectively pray Christian prayer about persistent problems and for healing all types of healing physical psychological emotional and spiritual It shows you how what we normally think of as just being our own personal problems in life are in fact deeply rooted familial problems we only reproduce them with a few personal overtones We are our families and our families are us how can it be otherwise And therefore effective prayer for healing most often eludes us as we fail to apply the healing power that the Lord Jesus Christ brought us to where the problem is rooted in the family This happens because we normally think of and look at just us losing the bigger picture not knowing that we are only a symptom of the problem a representation a red dashboard light saying something about the

engine a cog in the wheel of my family and that it is not a personal problem despite all appearances Since we think what is going on is our own personal problem our prayer too follows that pattern serious falling short of the target Result it becomes like a cry in the desert with no effect And yet God wants us healed He constantly sends us healing But we spend time trying to convince God in prayer to give us what He has already given us healing when He sent Jesus Christ We have little clue that the key is not with God anymore but is right here with us brought to us by Jesus and left here We simply don t know how to use it And thus God laments My people perish for not knowing Hosea 4 6 This book will pull you out of that not knowing and lead you step by step to the full benefit that Christ has already brought to you not only a healed and useful life but also a joyful one
