

The Great Debaters Question Guide

Scene # 1-My Soul Is a Witness

Listen to and discuss the opening prayer and speech by Dr. Farmer. Explain the significance of the powerful words which are spoken in the background as the viewer watches several different scenes:

- Samantha Booze takes the bus to school and is watching her impoverished community in the window as she passes
- Melvin Tolson dressed as farmer walking into the night
- Henry Lowe in bar about to get in a fight

"When I was a child I spoke as a child, I understood as a child, I thought as a child but when I became a man, I put away all childish things. Freshman class...I believe we are the most privileged people in America, because we have the most important job in America, the education of our young people...We must impress upon our young people that there will difficulties that they will face, they must defeat them, they must do what they have to do in order to do what they want to do. Education is the only way out, the way out of ignorance, the way out of darkness, into the glorious light."

Dr. James Farmer

1. What does Dr. Farmer mean when he said "When I was I child I spoke as a child...but when I became a man I put away all childish things"?
2. Is it the school's role to help youth to develop into adults? Why or Why not?
3. Where do most of our young people learn the lessons they need to become adults today?
4. What do you think Samantha Booze is thinking as she looks out the window at her impoverished community?
5. What does Dr. Farmer mean when he says "they must do what they have to do in order to do what they want to do"? How can you apply this to your own life?
6. What would have happened if Henry Lowe had actually stabbed the women's husband in the fight in the bar?
7. Is education still the "way out of darkness and into the glorious light" for the African American community? If so, how?

Great Debaters Study Guide Questions:

The Student Leadership Challenge James M. Kouzes, Barry Z. Posner, Beth High, Gary M. Morgan, 2014-02-27 The Student Leadership Challenge Activities Book includes more than 50 activities that give educators a bridge between teaching The Five Practices of Exemplary Leadership model and helping students learn to apply the practices to their lives The activities map to each of The Five Practices and are designed to be flexible appropriate for high school and college students and greatly improve students understanding of The Five Practices model through action The activities include facilitator tips for use in a variety of settings and with various age groups

Lecturing the Victorians Anne B. Rodrick, 2024-07-25 We are a much lectured people wrote Robert Spence Watson in 1897 Beginning at mid century cities and towns across England used the popular lecture for purposes ranging from serious education to effervescent entertainment and from regional pride to imperial belonging Over time the popular lecture became the quintessential embodiment of Victorian knowledge based culture which itself ranged from the production of new knowledge in the most elite of learned societies to the consumption of established knowledge in middle class clubs and the hundreds of humble mechanics institutions initially founded to provide scientific instruction to workers What did the average Victorian talk and think about How did the knowledge based culture of lecture and debate enable men and women to demonstrate both civic engagement and cultural competence How does this knowledge based culture and its changing expression give us ways to look at Victorian citizenship long before the extension of the franchise With engaging and accessible prose Anne Rodrick draws from a variety of primary sources to provide fascinating answers to these pertinent questions Based on the analysis of several thousand lectures and debates delivered over more than 50 years this book digs deeply into what those individuals below the most elite levels thought heard debated and claimed as a badge of cultural competence By the turn of the 20th century the popular lecture was competing for attention with new institutions of leisure and of higher education and the discourse surrounding its place in contemporary England helps illuminate important debates over access to and deployment of knowledge and culture Wisconsin Extension Manual of Debate University of Wisconsin--Extension. Department of Debating and Public Discussion, 1913

Verbatim Report on Three Nights' Discussion on the Questions, Is it Reasonable to Believe in the Existence of a Powerful and Intelligent Being Distinct from the Material Universe? And, Has Man a Soul that Will Live in a Future State? Alexander Jamieson, 1894 *A Practical Guide to Teaching and Learning* Oran Tkatchov, Shelly Pollnow, 2011-11-17 A Practical Guide to Teaching and Learning contains a compilation of fifteen main ideas or concepts that will help teachers to become better at what they do to help learners reach their potential Each concept is a common sense approach that is backed by research and provides an understanding of what a teacher should know and be able to do as an effective professional in their classroom Ultimately it is the teacher behaviors that have an impact on the student behaviors and each chapter provides sound suggestions and tips to set the teaching and learning relationship up for success At the end of the chapters there are

Reflection Scenarios to assist the reader in thinking through possible issues and assist the reader in applying the concept to situations in their own practice There are also guiding questions to stimulate personal reflection and may be helpful if using the book for a book study for professional learning community dialog and discussion *Cornell Reading-courses* ,1919
