

Sample Formal Information Letter

Dear Parent,

This year, as an enrichment opportunity through the SAGE program, Woodside School's fourth and fifth graders will have the opportunity to participate in the National Geographic Bee, between November 23 and January 13. This is a nationwide contest for schools in the United States. There are three levels of competition: school, state, and national. The winning student at Woodside must take a written, multiple choice "Qualifying Test," in order to compete for advancement to the state level. (The first place winner at the state level will proceed to the national level.) Questions will require knowledge of place names or of the location of cultural and physical features.

Students may be asked about cultural and physical regions or about physical phenomena, such as landforms, climate, bodies of water, soils, flora, and fauna. Tools geographers use, such as maps, instruments, graphs, and statistics, may be the subject of other questions.

Have fun!!!
