NEXUS DELF A1(MP3CD1) 2006-11-05 **ABC DELF** ,2012 **How to Succeed Delf B2 - Speaking Test**

Jean K. Mathieu,2019-01-07 Since I teach French I would say that more than 40% of my students are in the process of taking the exam I lead students from beginners to advanced and DELF B2 is a big step for every French learner As you know DELF B2 is really useful not only to improve your French but also to give credit to your skills when you apply for job or French University I helped many students to achieve this goal and I realized that most of them had the same problems A lack of self confidence Speaking a foreign language is tricky we make many mistakes and it doesn't feel good Moreover because we are afraid of making mistake we often choose to not speak That's most learners problem whatever the language is If we avoid facing reality we will stay dumb No clue about what to expect Most students take this exam for the first time and sometimes it's their first French exam We don't really know what to expect Speaking practice They are good methods to practice for the exam but the speaking part is always the hardest I would first say that most of the time students don't organize enough their presentation They don't take all chances to get extra point whereas it's easier than they think That's why I decided to gather all my knowledge about this exam and I built a process to understand what to do for the Speaking part This method covers also the other skills like Listening Writing and Reading test but mostly focuses on the Speaking Test because I found students need it
