A guide For the new Muslim jammaal al-Din m. Zarabozo,2022-06-09 The goal of this work is to present the new Muslim with a basic guide that will help him understand and implement Islam As already noted the newly converted Muslim has set himself upon a new path that most likely is very different from the path that he was on before The convert understands enough about Islam to recognize that it is the truth but he usually does not have enough detailed information about Allah s religion to guide him in his everyday affairs The author sincerely hopes that the individual will have the best experience in Islam by understanding it properly from the beginning and by applying it correctly in his life Many are the converts to Islam who are bewildered and confused once they convert Unfortunately not every Muslim today is a good ambassador of Islam and not every Muslim today understands all of the basics of Islam This can lead to a great deal of confusion as some Muslim converts cannot even recognize the Islam that they see when compared to the Islam that they read about This work is a modest attempt at assisting the new Muslim to set out along the correct path based on the Quran and Sunnah

How to Be a Muslim? Amira Habashy Afifi, 2020-06-16 Since the message of the Prophet Muhammad May God bless him and grant him peace came it has faced a lot of objection and lies from the tribe of Quraish infidels who wanted enjoy the benefits of life alone without taking into their accounts vulnerable groups and poor or give the rights to its owners and give up arrogance and lies so they chose their lusts more than following and abiding by

the high end Muhammadan law that stands next to the weak and the oppressed Islam equated between black and white the only differential criterion is piety good deeds and good following Recently the true features of the Islamic religion became clear we mention the priest Malin Kennedy and her testimony to the Islamic religion as a realistic and practical religion The Holy Prophet was accused of lying madness and poetry and God Almighty supported him with the many miracles that has been seen from who lived in the time of the Prophet and the eternal miracle remained and it is the Book of God Almighty with its endless miracles and it is not destroyed due to frequent use and the Hadith Sharif it is the correct Prophet Mohammad speech filled with miracles which is proved by science day after day and standing in front of modern science which stands fascinated by these miracles in the Book of Allah and the Sunnah of the Prophet Muhammad peace be upon him When I thought about writing this book I mainly targeted the new Muslims who testified in the oneness of God Almighty and declared their Islam and want to learn the teachings of the Islamic religion in order to follow them in order to obtain the satisfaction of God Almighty in this world and the hereafter I have taken into my account the vast difference between the Islamic environment and the open western society where there are many differences in many customs and traditions so I put in my book the basic concepts of the Islamic religion without going into depth in many details in order to present a full view of what this great religion is in general I will leave the opportunity to delve deeper into this for anyone who wants more The rulings of Islam were gradually revealed in consideration of the society in which it was descended in which obscenity was committed and people drank alcohol and worshiped idols and orders came gradually by order to compose the hearts first for the message and accept the religion as well as the matter with new Muslims so the entry of Islam is a great transition in Doctrine implementation of orders living for God and Self obedience training are not easy matters but it need support and patience God Almighty has taught us to seek patience and prayer in all our affairs and that our whole life be for God so we eat in order for our body to be strengthened and we can pray and perform acts of worship we marry in order to increase The offspring and having children who worship God we spend money in order to greed for the reward of spending and we remind God in all our daily conditions in order to obtain the reward of Mention of God But basically I target every new Muslim wants to know what are the teachings imposed by the religion of Islam and I answer many of the questions that revolve around the subject Guidelines for Dialogue Between Christians and Muslims Maurice Borrmans,1990 Provides a basic knowledge of Islamic beliefs and practices so that Christians may be better prepared to engage in dialogue with Muslims
