1. **Introduction**

- Briefly introduce the program you are proposing.

Example:

Our program proposal aims to address the lack of mental health awareness in our community by implementing a series of workshops and support groups. We believe that by raising awareness and providing support, we can significantly improve the overall well-being of our community members.

My advice on the introduction:

Be clear and concise when introducing your program. Clearly state the purpose of the program and the problem it aims to address.
