A Problem Like Maria Maria Fyfe, 2014-03-08 A Labour Whip once revealed that in their office they sang songs about certain backbenchers In the case of the Member for Maryhill their choice was How Do You Solve A Problem Like Maria A frank account of fourteen years in Westminster from the rebellious Maria Fyfe the only female Labour MP in Scotland when she was first elected Fyfe recounts some of the most significant moments of her political career from the frustrating and infuriating to the rewarding and worthwhile A significant aim of writing this book was to set the record straight on that period in our UK Parliament Another aim was to encourage interest in a political life when widespread cynicism discourages good people from thinking about it MARIA FYFE Covering some of the most turbulent years of British and Scottish political history A Problem Like

Maria takes the female's perspective of life as an MP in the male dominated Westminster. This book reaches the parts of politics some people hope you never reach. The intimidating Maria Fyfe sounds like strong Scottish domestic drama. Edward Pearce LONDON EVENING STANDARD The terrifying Maria Fyfe stamped in her of the sharpened claws. Matthew Parris THE TIMES An incorrigible Bevanite THE OBSERVER *Our Debt to the Dog* Bryan D. Cummins, 2013-11-07 When Homo sapiens sapiens met Canis lupus lupus millennia ago the result was Canis lupus familiaris the domestic dog. Since that fateful encounter the dog has become arguably humankind's greatest creation. The domestic dog is the most widely distributed species other than ourselves in the world being found virtually wherever people live and is also the most diversified of species with literally hundreds of recognized breeds. While we have shaped the dog it too has helped shape human history in innumerable ways. *Our Debt to the Dog* is a critical historical and cross cultural examination through the use of case studies of this most improbable 15 000 year relationship and an exploration of how this relationship shaped the history of the world. It is also very much an apology to the dog because over the course of the partnership horrific acts were perpetrated against it intentionally and otherwise. *Our Debt to the Dog* enriches our understanding of the dog and extends our appreciation for the profound complexity of past and present human canine relationships and the dog's contributions to our lives and our world.
