J.C.Lall, Dr. S.B.Lall, 2018-08-09 Many experts now believe that an average child's intelligence develops up to the ages of six

to eight years as it does between the ages of 8 18 years Early years in child development are crucial for his or her smartness and intelligence A restricted or under stimulated environment may restrict the intelligence of a child Intelligence as a whole is a combination of book smartness and street environment smartness and is required for success in life This book contains valuable insight for development of smartness and intelligence and also explains how to increase it This is described in the form of a practical guide for parents which will help children at home school and later in life in a positive way **The Smart Love Parent** Martha Heineman Pieper, William Joseph Pieper, 2005 Should you feed your baby whenever she wants or put her on a schedule Do you impose consequences on children who don t do their homework or clean up their room or do you help them with chores and homework Should you respond to the difficult adolescent with tender love or tough love Parents are faced every day with a multitude of decisions and they worry about making the right choices The Smart Love Parent offers a breakthrough method to parenting created and tested by the husband and wife team of Dr Martha Heineman Pieper and Dr William J Pieper The Piepers offer a new understanding of the entire sweep of child development allowing you to view the process of growing up through your child s eyes Their patient and caring approach avoids the extremes of permissiveness and of the old reward and punishment style of parenting that turns parents into disciplinarians By offering a relaxed and realistic timetable for your child s development they identify some previously unrecognized developmental milestones and show you how to help your child reach them through guiding not punishing If you understand your child s point of view you can better know how to love her and how to respond to her actions The Smart Love Parent helps parents cultivate a child s inner happiness which is the best means of ensuring your child will grow up well behaved responsible self confident and able to reach his or her fullest potential Book jacket
