Week 4

To Kill a Mockingbird

To Kill a Mockingbird, a book by Harper Lee tells the story of Atticus Finch, an attorney and widowed father in the small town of Maycomb, Alabama, and his children, Scout and Jem. The novel is set in the 1930s. Atticus agrees to defend Tom Robinson, an African American who is wrongfully accused of a crime against a white woman. Because of Atticus's actions, his children are exposed for the first time to the racial prejudice and hypocrisy of their small, southern town. However, the decision also provides Scout (who narrates the story with a valuable learning experience).

TUESDAY

Week 4

Atticus defends the innocent Tom Robinson, but Scout and Jem face abuse from residents of Maycomb as a result. The young children hear slurs toward their father, and are provoked to fight for his honor. Scout and Jem, meanwhile, become obsessed with their mysterious neighbor, Boo Radley, who they hear terrible rumors about (rumors they believe at first). Eventually, Scout and Jem stop believing the rumors. Later, Boo saves the children from an attacker (someone whom they become angry with Atticus at the trial.) Even though Atticus proves that Tom could not have committed the crime, the members of the jury ignore the evidence and convict Tom.
