Last Summer English Edition:

Baedekeriana Michael Wild, 2010 By Michael Wild the Baedeker historian this is an anthology of articles about and extracts from Baedeker guidebooks of the past There is much to amuse and enlighten the reader who is taken to Troy Poland under German occupation the Berlin to Baghdad railway India and many other fascinating places which one might otherwise never see Bertolt Brecht in America James K. Lyon, 2014-07-14 This colorful account of Bertolt Brecht's move from Germany to America during the Hitler era explores his activities as a Hollywood writer a playwright determined to conquer Broadway a political commentator and activist a social observer and an exile in an alien land Originally published in 1980 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905 **Introduction to the Literature of Europe in the Fifteenth, Sixteenth, and Seventeenth Centuries by Henry Hallam**, 1839 **The Scarlett Letters** John Wiley, 2014-10-08 One month after her novel *Gone With the Wind* was published Margaret Mitchell sold the movie rights for fifty thousand dollars Fearful of what the studio might do to her story I wouldn't put it beyond Hollywood to have Scarlett seduce General Sherman she joked the author washed her hands of involvement with the film However driven by a maternal interest in her literary firstborn and compelled by her Southern manners to answer every fan letter she received Mitchell was unable to stay aloof for long In this collection of her letters about the 1939 motion picture classic readers have a front row seat as the author watches the Dream Factory at work learning the ins and outs of filmmaking and discovering the peculiarities of a movie crazed public Her ability to weave a story so evident in *Gone With the Wind* makes for delightful reading in her correspondence with a who's who of Hollywood from producer David O. Selznick director George Cukor and screenwriter Sidney Howard to cast members Clark Gable Vivien Leigh Leslie Howard Olivia de Havilland and Hattie McDaniel Mitchell also wrote to thousands of others aspiring actresses eager to play Scarlett O'Hara fellow Southerners hopeful of seeing their homes or their grandmother's dress used in the film rabid movie fans determined that their favorite star be cast and creators of songs dolls and Scarlett panties who were convinced the author was their ticket to fame and fortune During the film's production she corrected erring journalists and the producer's over the top publicist who fed the gossip mills accuracy be damned Once the movie finished she struggled to deal with friends and strangers alike who fought and trampled little children and connived and broke the ties of lifelong friendship to get tickets to the premiere But through it all she retained her sense of humor Recounting an acquaintance's denial of the rumor that the author herself was going to play Scarlett Mitchell noted he ungallantly stated that I was something like fifty years too old for the part After receiving numerous letters and phone calls

from the studio about Belle Watling's accent the author related her father was convulsed at the idea of someone telephoning from New York to discover how the madam of a Confederate bordello talked And in a chatty letter to Gable after the premiere Mitchell coyly admitted being feminine enough to be quite charmed by his statement to the press that she was fascinating but added Even my best friends look at me in a speculative way probably wondering what they overlooked that your sharp eyes saw As *Gone With the Wind* marks its seventy fifth anniversary on the silver screen these letters edited by Mitchell historian John Wiley Jr offer a fresh look at the most popular motion picture of all time through the eyes of the woman who gave birth to Scarlett

The Christian Repository, 1855 Issues for 1856 1857 include section called Family visitant conducted by Mrs S R Ford **Introduction to the Literature of Europe in the Fifteenth, Sixteenth, and Seventeenth Centuries** Henry Hallam, 1843 **Introduction to the Literature of Europe** Henry Hallam, 1847

Bulletins from Britain, 1940 **Introduction to the Literature of Europe in the Fifteenth, Sixteenth, and Seventeenth Centuries** Henry Hallam, 2024-08-19 *The Nanjing Massacre and Sino-Japanese Relations* Zhaoqi Cheng, 2020-10-17 Based on extensive research on the International Military Tribunal for the Far East this book closely examines the claims and controversy surrounding the Nanjing Massacre a period of murder in 1937 1938 committed by Japanese troops against the residents of Nanjing Nanking after the capture of the then capital of the Republic of China during the Second Sino Japanese War Focusing on weighing up arguments denying Nanjing Massacre this book considers the Japanese Illusion school of thought which contests the truth of the Nanjing Massacre claims including the death toll and the scale of the violence The Nanjing Massacre remains a controversial issue in Sino Japanese relations despite the normalization of bilateral relations and this book goes to great lengths to examine the events through comparative narratives investigating different perspectives and contributing to the debate from the extensive research of the Tokyo Trial Research Centre at Shanghai as well as volumes of Chinese and Japanese historical documents
