You can find the Doctrine & Covenants Student Study Guide on-line by going to lds.org > resources (at top) > seminaries > manuals > (at right) Doctrine & Covenants Student Study Guide for Home-Study Students.

If you don't have Internet access, a Student Guide may be checked out from your teacher.

If you would like even further information to accompany your personal study, you can look at the Teacher Manual which link is just left of the Student Study Guide on the website.

The pdf format of these manuals is easier to read, but requires downloading them so you'll have to make that decision.

The Next Mormons Jana Riess, 2019-02-01 American Millennials the generation born in the 1980s and 1990s have been leaving organized religion in unprecedented numbers For a long time the Church of Jesus Christ of Latter day Saints was an exception nearly three quarters of people who grew up Mormon stayed that way into

adulthood In *The Next Mormons* Jana Riess demonstrates that things are starting to change Drawing on a large scale national study of four generations of current and former Mormons as well as dozens of in depth personal interviews Riess explores the religious beliefs and behaviors of young adult Mormons finding that while their levels of belief remain strong their institutional loyalties are less certain than their parents and grandparents For a growing number of Millennials the tensions between the Church's conservative ideals and their generation's commitment to individualism and pluralism prove too high causing them to leave the faith often experiencing deep personal anguish in the process Those who remain within the fold are attempting to carefully balance the Church's strong emphasis on the traditional family with their generation's more inclusive definition that celebrates same sex couples and women's equality Mormon families are changing too More Mormons are remaining single parents are having fewer children and more women are working outside the home than a generation ago *The Next Mormons* offers a portrait of a generation navigating between traditional religion and a rapidly changing culture

Baring Witness Holly Welker, 2016-08-15 In *Baring Witness* Holly Welker and thirty six Mormon women write about devotion and love and luck about the wonder of discovery and about the journeys both thorny and magical to humor grace and contentment They speak to a diversity of life experiences what happens when one partner rejects Church teachings marrying outside one's faith the pain of divorce and widowhood the horrors of spousal abuse the hard journey from visions of an idealized marriage to the everyday truth sexuality within Mormon marriage how the pressure to find a husband shapes young women's actions and sense of self and the ways Mormon belief and culture can influence second marriages and same sex unions The result is an unflinching look at the earthly realities of an institution central to Mormon life

L. D. S. Punk St. Peter Davila, 2013-09 Punk rock ethics and philosophy are to question everything do not except things just because you are told to do so but instead learn about them yourself so that YOU can make your own decisions And contrary to popular belief Punk is not about being lazy it's about D I Y Do It Yourself It's about not conforming to the norm Punk rock also has a very freestyle spirit it's about being different distinct not like everybody else This is what originally attracted me to Punk rock and later the Gothic rock movement Being L D S Latter day Saint is also about questioning everything up to and including our eternal heavenly father It's about not being what the world expects you to be But instead standing up for what is right and not ignoring what is wrong And through the course of this being different and distinct is a way of life in the church of Jesus Christ of Latter Day Saints If this is not Punk Rock I don't know what is This is my story that has taken me from Catholicism to Mormonism from Paganism to Buddhism and from crazy punk rock insanity to dark morbid gothic rock death gloom Then on to Pentecostal Evangelical Christianity and finally back to just me and my personal relationship with Jesus Christ It's a story about searching for answers especially the age old questions of who are we Where do we come from And where do we go after we die It's about trusting our heavenly father and realizing that Jesus Christ really loves us and deeply cares about our well being both temporal and spiritual Most importantly it's about developing a personal relationship

with Jesus Christ he is here for us no matter what we do and wants us to be happy and for this reason died for us so that we could be set free To give us a chance to be happy to be with him
