Summary of Marisa Peer's I Am Enough Everest Media, 2022-06-30T22:59:00Z Please note This is a companion version not the original book Sample Book Insights 1 The human mind has one simple duty to keep you alive as long as possible To do that it is an expert at avoiding and fleeing what causes us pain or danger When we were living in tribes in the bush this was difficult We had to flee predators find water and food and protect ourselves from the elements constantly 2 The truth is our bodies respond to words in a way we re not always conscious of similar to what happens when we re sitting in traffic that we call hell on earth 3 The strongest force in you is that you must act in a way that consistently matches your thinking Once you have proof of this it becomes easy to pay more attention to your words and to make them more positive so that you are positively influencing the blueprint you are constantly working towards 4 Use your own fingers to make a circle Start pulling against the circle with your thumb and finger on one hand and say out loud I m a loser and I mess everything up Notice how your grip weakens as you say I m a loser

Holocaust representations in children's books respect the narrative conventions of hope and happy endings how do they differ if at all from popular representations intended for adult audiences And where does innocence lie if the children's fable of Roberto Benigni's *Life is Beautiful* is marketed for adults and far more troubling survivor memoirs such as Anita Lobel's *No Pretty Pictures A Child of War* are marketed for children How should Holocaust Studies integrate discourse about children's literature into its discussions In approaching these and other questions Kertzer uses the lens of children's literature to problematize the ways in which various adult discourses represent the Holocaust and continually challenges the conventional belief that children's literature is the place for easy answers and optimistic lessons
