

Managerial Economics

12th Edition

A stylized illustration of a baseball field, viewed from an elevated perspective. The infield is depicted in a light tan color, while the outfield is a vibrant green. The bases are marked with small white squares. Overlaid on the field is a graph with a horizontal axis and a vertical axis. A blue line, representing a demand or revenue curve, slopes downward from the top left towards the bottom right. A red line, representing a marginal revenue curve, slopes downward more steeply than the blue line. The two lines intersect at a point in the middle of the field. The background of the slide features a blue sky with white clouds and a green field.
