and culturally relevant the church has left behind some of the great biblical teachings in order not to offend those who attend. In the process however the church has dug all these new wells of teaching only to find many of them dry or worse filled with poisonous water. Instead of trying to come up with all these new culturally relevant teachings the church needs to go back and reopen those foundational truths where the true living waters of God's word can be found that has brought life and revival to millions. In Jeremiah 6:16 the Lord said: Stand in the ways and see and ask for the old paths where the good way is and walk in it then you will find rest for your souls. Wells of Living Waters deals with the foundational truths of holiness, faithfulness, repentance, the blood of Jesus, judgment, hell, Satan, the person and purpose of the Holy Spirit, the authority of the Scriptures, fasting and stewardship. This book is soundly based on scriptural authority as well as Pastor Lee's long term experience in the discipling of God's people to all who seek to bring pure living water to a thirsty world.
