## Physical Science

### One-Pager Project

Name .....

Class Period .....

#### Directions

The steps below will help you in creating a one-pager assessment that will demonstrate, visually, your knowledge of magnets and magnetism.

**1. General:** This project will be a visual and word summary of the electricity and magnetism information we learned about in class.

- One pagers provide an opportunity to illustrate your understanding of a science topic in a creative way.
- Complete your one-pager on the large paper provided. Create the one-pager in such a way that your audience will understand something of your thinking about what you have learned.

**2. Title:** You will need to have a visible title such as "Electricity and Magnetism" somewhere on your project. It should not take up too much space, but be clear and easy to see.

**3. Science Knowledge:** The following concepts should be incorporated into your one pager in both verbal and visible forms. The verbal portions should include a definition and explanation. The visuals should be nicely drawn and colored pictures or science diagrams.
