If You Leave:

WHY DID YOU COME IF YOU LEAVE AGAIN? Dr. Conradin Perner, 2025-01-24 One of the rare occasions where an ethnographer bares himself to reveal how he came to learn about and understand the people he studied Since an ethnographer is the only person to witness on a people and their culture the author writes about his findings on the Anyuak civilization and culture from the perspective of a novice learner He prefaces the reader about his own background and writes about the person behind the observations One of the readers of the manuscript described this as a delightful effort to humanize the rigor of academic analysis of indigenous populations so the author could share with others the remarkable experiences that led to his fascination with the Anyuak people The memoir is both a document of past times of nature and people a moving description of life in the wilderness and a people s fight for human dignity The book differs from other travel autobiographies in its poetic clear and suggestive language that allows readers to participate in the discovery of a foreign culture and to become a friend to hitherto unknown people It opens philosophical and spiritual dimensions and reflects on the humanity of the Anyuak the author and the attentive reader Why Did You Come If You Leave Again? Volume 2 Conradin Perner, 2016-11-04 The book Why Did You Come If You Leave Again is an ethnographers personal account of the five years he spent in one of the remotest parts of Africa In the authors comprehensive monograph eight volumes published by Schwabe about the Anyuak a little known tribe in South Sudan there was no space left for a portrait of the person who did the fieldwork his professional and personal itinerary his experiences and attitudes his relationship with the local peoplelet alone for all the adventures he lived when crossing the wilderness and when struggling to stay alive The travel autobiography sheds light on the long and tedious process of ethnographic fieldwork it is both personal and profound varying between moments of actions and reflections and eventually leading to an intimate encounter with an African culture The many riveting stories told in the book are signposts of a spiritual psychological philosophical and physically exhausting expedition through arid savannah flooded plains and compact walls of elephant grass to the spiritual home of a courageous people who have created in the middle of wilderness a center of humanity Though the narrative is essentially about the discovery of a foreign culture it also relates the exploration of the ethnographers own identity in an environment that didnt offer any possibility to escape The book is about thirst starvation loneliness and lightening sickness and death joy and deliverance snakes and spirits shadow spittle and footprints and eventually about the authors quest for meaning beauty and understanding of the world The memoir tells a saga about forlornness hope and achievement and last but not least growing friendships as the only reward for struggle and pain The researchers autobiography is captivating for the soul and the mind It is funny sad informative inspiring If You Please Tish Davis, 2012-10-01 Consumed by guilt over the life her aunt Olga gave up to raise her Natalia and poetic Gordeeva has devoted herself to pleasing the bitter vengeful woman She knows that God would have her honor her aunt but to what extent Tony Santerimo has known Natalia was the one since the day she walked into his pizzeria and his heart
