Two Sides To Every Story Wanda F. Kenty, 2022-09-27 In the beginning God created the heavens and the earth because there was a war in heaven At the end of that war long before this new Adamic beginning Almighty Father God gave Archangel Michael charge of leading the battle in casting Satan the enemy of God out of heaven In the archangel's victory Satan was cast down to this God created earth In God's full knowledge of the pure evil that Satan possessed He created man the first one Adam in His own image Each one of us that proceeded after that creation up to this very day are created as a person or piece of the Almighty God endowed with the inheritance of who and what He is God created man to be soldiers in His army The purpose for our creation is to battle the evils that Satan would use to try to destroy us and this earth in his way of attacking God In God's creation of man we are keepers of His footstool because Almighty God is on His throne in heaven Satan having had the favor of God before he grew insanely jealous of Him knew that not to be a good idea So the very first man God created Satan

attacked and was successful Satan knew that if he could insert his seed into the very first of God's creation he would have a good chance of destroying all human beings that man would create Psalm 139 14 says I praise you for I am fearfully and wonderfully made In my opinion there has never been a statement that has been proven more true With Satan hiding behind the scene he anxiously awaits man to explore his God given creativity until man knows no limit which ends us where we are today Limitless possibilities Constructive and destructive Everything man creates is accompanied by an operating manual In God's proof of all His creation He accompanied us with one also It's called the Holy Bible which is not the story that we are able or want to create simply because we can but it is His story that we are to follow Like any other manual of instruction created by man that is unused or not read you will undoubtedly end up with a lot of extra screws and pieces that do not fit Give the Lord the mangled pieces of the life you have tried to put together It's called surrender It's the only way to true health wealth and spiritual freedom
