

Dear Mr. Jones,

I am a professional writing teacher. I have supervised her closely, have been witness to her academic achievements from class papers. I have been informed that you are applying for a scholarship program at your institution and for the same reason, I recommend her for the program.

During her studies in academics throughout her school, she is regarded as her outstanding. The teachers at the school use her as a model student. Her work from the first class gives her ability. Hence, she recommended her school at the state level in a scholastic competition.

She is a perfect fit for the program because she can achieve and can use without any doubt that she will use the program.

Sincerely,

John Doe
