**Rethinking Body Language** Geoffrey Beattie, 2016-06-03 Challenging all of our old assumptions about the subject Rethinking Body Language builds on the most recent cutting edge research to offer a new theoretical perspective on this subject that will transform the way we look at other people In contrast to the traditional view

that body language is primarily concerned with the expression of emotions and the negotiation of social relationships author Geoff Beattie argues instead that gestures reflect aspects of our thinking but in a different way to verbal language Critically the spontaneous hand movements that people make when they talk often communicate a good deal more than they intend This ground breaking book takes body language analysis to a whole new level Engagingly written by one of the leading experts in the field it shows how we can detect deception in gesture speech mismatches and how these unconscious movements can give us real insight into people s underlying implicit attitudes

### **Debates in Modern Languages**
