Too Late to Say Goodbye Ann Rule, 2008-09-04 Written within a cloistered environment to protect sources that have yet to be identified TOO LATE TO SAY GOODBYE is a chilling portrait of two beautiful successful women whose murders were made to look like suicides Jenn Corbin appeared to have it all two little boys a posh home in the suburbs of Atlanta and a husband Dr Bart Corbin a successful dentist who was handsome and brilliant Then in December 2004 Jenn was found dead with a bullet in her head apparently by suicide Only later would detectives learn that another woman in Dr Corbin's past had been found years earlier with nearly the exact same wound to the head also ruled a suicide In TOO LATE TO SAY GOODBYE Ann Rule working in cooperation with victims families police investigators and sources from Georgia to Australia unravels the now sensational deaths What emerges is an incredible tale of jealous rage of stunning evidence that runs from the steamy to the macabre and of a fateful mind boggling coincidence that appears to have motivated the killings The definitive unravelling of one of the strangest murder investigations of our time this is the greatest achievement of a truly great writing career
