Adams,2009-10-01 From Crusade to Hazard The Denazification of Bremen Germany relates how the American and British combat forces and military government officers occupied administered and denazified Bremen and its environs from 1945 to 1947 The three distinct phases in administering Bremen had a profound impact on the denazification of the city Denazification legislation was first determined by the Americans then by the British and then again by the Americans Throughout denazification teams tried to find a middle way between the American dictum of a radical purge of the whole population and the less ambitious British goal of only cleansing the administration This delicate balancing act led to an implementation of a purge that was unique to the Bremen enclave While it succeeded in discovering and punishing many of the main functionaries of the Nazi regime it also fell victim to its own ambition and collapsed underneath the weight of its administrative processes As deadlines and waning governmental support forced a quick end to the program the bloated denazification bureaucracy resorted to classifying most of the remaining cases as benign followers even when they hardly

deserved that label At a time when interest in de politicizing old classes of administrators affiliated with dictatorial regimes is being increasingly fueled by contemporary world events this book is a particularly valuable contribution Hazard at the Nineteenth April Hardy,2017-08-18 Meet the Hazards When Stella s future mother in law accidentally feeds her a nut filled cake her night disastrously ends in A E Stella knows that Joyce doesn t like her but murder by allergy is just one step too far And don t even mention ally Cordelia the girl next door Charity committee member Joyce worries that Stella doesn t like her She tries to put the quiet bookish girl at ease but everything she does backfires When she enlists a family friend s help she s sure things will run more smoothly But Cordelia has other ideas Will Stella ever make it down the aisle or is she destined not to fit in with the Hazards
