

SECTION A – SHORT QUESTIONS**QUESTION 1****SOURCE 1****Catholic Charities: Close the inequalities gaps to achieve social justice in New Orleans**

On the heels of World Day of Social Justice, recognised on Feb. 20, the importance of closing inequalities is top of mind. Recognised by the United Nations as this year's theme, 'Closing the Inequalities Gap to Achieve Social Justice' is a long-standing priority of the Office of Justice and Peace of Catholic Charities Archdiocese of New Orleans.

To echo the United Nations sentiment that social justice is advanced when we remove the barriers people face because of gender, age, race, ethnicity, religion, culture or disability, we challenge New Orleanians to stand behind equal access to society's privileges and opportunities and join us in supporting programs that address the causes of poverty.

Initiatives like Jane Place Neighbourhood Sustainability, a community land trust and housing rights organisation committed to creating sustainable, democratic and economically just neighbourhoods and communities in New Orleans, is one of many examples.

In addition, it's imperative we assist individuals in re-entering our community via rehabilitation through service. In Louisiana, 83% of ex-offenders are likely to be back in jail within five years. However, if the formerly incarcerated are able to find and hold a job for three years, that rate drops by more than 50%. A subset of Catholic Charities' Office of Justice and Peace, Cornerstone Builders was established to address this issue with the firm belief that community service equips people with the skills and assets necessary to be responsible, productive citizens.

There's no denying that when citizens are provided with the tools to succeed, our society as a whole benefits. In our workplaces, homes and churches, we can all help to promote a just society by challenging inequality and valuing diversity.
