How might we create the best possible solution to a problem? - Correct Answer-Engineers try to think "outside the box" in order to solve new problems or find ways to improve current solutions.

What is the most effective way to generate potential solutions to a problem? How many alternate solutions should you generate? - Correct Answer-Brainstorming with a group, research and testing possible solutions

What is an engineer? What types of work do engineers do? - Correct Answer-Engineering is the application of mathematics and scientific principles to better or improve life. An engineer is a person who is trained in and uses technological and scientific knowledge to solve practical problems. Research, Develop, Design, Supervise, Manage, Production and Construction, operations, plant management, and sales

Why Keep an Engineering Notebook? - Correct Answer-An engineering notebook is recognized as a legal document that is used in patent activities to...

Prove the origin of an idea that led to a solution

Prove when events or ideas occurred

Prove diligence in turning the idea into a solution

Prove when an idea became a working solution ("reduced to practice")

What are the 4 best Practices for the Engineering Notebook? - Correct Answer-Be Neat,

be Accurate,

be Legible,

be Thorough

Explain the concept of proportion. - Correct Answer-Paying close attention to the underlying basic shapes and the relative proportions of various features of the object will allow you to more accurately reflect the true shapes and proportions of the object in your sketch

Why would the ability to create realistic sketches make a person a more competent designer - Correct Answer-Representing existing objects and new ideas with sketches can make the design process more effective and efficient and greatly enhance the ability of others to understand your ideas. Allows them to communicate their ideas more clearly.

What is the purpose of sketching your ideas? - Correct Answer-Sketches provide a means through which one can quickly and clearly communicate ideas

 Thomas, 2019-10-22 Publisher's Note Products purchased from Third Party sellers are not guaranteed by the publisher for
 quality authenticity or access to any online entitlements included with the product The long awaited new edition of the world
 s most widely used and highly regarded textbook and reference of emergency medicine A Doody's Core Title for 2019
 Tintinalli's Emergency Medicine is THE essential resource for everyone working in and teaching emergency medicine The
 Ninth Edition provides the depth and breadth of coverage that reflects the complexity and expertise needed to practice
 emergency medicine in today's fast paced environments This comprehensive text is an important clinical resource for
 physicians residents and students advance practice providers emergency nurses EMTs and paramedics It is a necessary
 resource for in training and board examinations and recertification Tintinalli's Emergency Medicine covers everything from
 prehospital care disaster preparedness and basic and advanced resuscitative techniques to all the significant medical
 traumatic and environmental conditions requiring emergency treatment in adults children and neonates Highlights of the
 Ninth Edition Full color design with more tables than ever to succinctly present key information Extensive updates to all
 sections incorporating the latest clinical and evidence based information Online access to over 100 videos covering a wide
 range of diagnostic and therapeutic procedures and POCUS for obstetric gynecologic pediatric musculoskeletal and vascular
 conditions World class pediatric section on the care of neonates infants and children Expanded chapters on the management
 of gynecologic and obstetric conditions and emergencies Updated information on toxicologic and environmental emergencies
 Contemporary concise discussion of ED identification and treatment of opioid use disorders Updated information on
 procedural sedation Expert advice on the management and care of transgender patients Latest information available on
 neurologic and cardiac emergencies From the reviews of the seventh edition Collectively they have once again produced an
 excellent text that manages to cover the broad scope of emergency medicine while remaining an easily readable and
 practical resource Last for the inevitable comparison of this current edition of Tintinalli's Emergency Medicine with other
 available emergency medicine textbooks available in my opinion Tintinalli's still comes out on top It is more concise and
 easier to read than some yet it covers the breadth of emergency medicine practice more comprehensively than others Just as
 previous editions did the seventh presents all of the most pertinent and up to date information in a well organized format that
 is comprehensive yet easy to read That and many of the attractive new features in this current edition will ensure its place on
