If Clouds Could Speak:

If Clouds Could Speak Holly Smalley, 2013-01-24 Isn't it fun to watch the clouds change shapes in the sky? What if they could speak to us? I bet they would have some amazing stories to tell. Clouds are part of God's creation and have been used in so many of the Bible stories we know and love. Starting with the clouds that witnessed Satan's fall to the pillar cloud God used to lead His people out of Egypt to the storm clouds Jesus quieted while with His disciples in a boat. As each cloud gives you its account, you cannot help but see God's faithfulness shine through. Another beautifully illustrated book that enhances the words set to poetry showing what would happen if clouds gave us their side of the Bible stories. Holly Smalley tells the clouds' stories, and Kevin Collier shows us what they saw. Another treasured book that reveals God's message through His creation. *If My Heart Could Speak: Poems that Speak what Silence Couldn't* Bhagabat Malik, Kanhu Charan Rout, 2025-08-25

If My Heart Could Speak is a book of feelings we often hide: broken hearts, silent tears, and memories that still hurt. Each poem is written for those who have loved deeply, lost quietly, and carried pain without saying a word. This book is not just to read but to feel. It's like a friend who understands your sadness, your silence, and your strength. If Walls Could Talk Bernard Mavritte, 2022-09-02

If Walls Could Talk: Some Need To Be Silenced But Some Speak Out Loud By Bernard Mavritte. Ever since human beings have known how to build structures with walls, a ceiling, and some kind of roof, the walls within those structures have witnessed so much. If they were animate objects with eyes, a mouth, and ears, they could say so much that could not be constrained within all the books upon the earth. Those walls have witnessed the good, the bad, the joys, and the sorrows. They have seen things that those who live within the parameter of the walls would love to share with others, and yet many occurrences that should never be revealed: the deep secrets of our lives we are ashamed to reveal to others. From our entrance on this earth until we depart, the walls have seen it all. In this autobiography memoir, Bernard Mavritte reveals the good and the bad, the joys and the sorrows in his own life, a story that is full of life itself. He shares how God has opened so many doors for him, bringing him through his many trials. If the walls in his life could talk, some of them would need to be silenced, but some would need to speak loudly. *If I Could Speak With President Trump* Ann Marie Anderson, 2021-03-15

The most powerful spirit effect is parents seeing their children very sick or children seeing their parents very sick. Little Ann, the twelfth child while recovering from lymph node surgery, herself saw transient ischemic warnings that resolved on its own. In her mother's spells that were confusing, the impact of never knowing if little Ann's mother will be there for her picture day or to pick her up from school kept her brainstorming on what to do next. Then the blood clot occluded a main cerebral vessel, causing her mother to be comatose for months while little Ann feeds, communicates, and pledges in her heart the Girl Scout Promise and Law for her mother's sake and the world. Changing schools and crossing railroad tracks home to see her mother awakens to her unique tribe of children gone wild. Nourishing her mother with music from her violin during the stages of the school's closing and the transition from segregated bus rides in the community to

integrated schools seven miles away the change caused little Ann to listen and work hard The magic of the gut feeling of faith seeking the best consequences came with a bit of fear and the only one to graduate from the tribe before the hemorrhagic stroke took her mother Suddenly it hit Ann Write to the right one The right president Do you hear me Thank you for listening
