Jesus: Is He the Messiah of Israel? Magnus N. Keehus,2011-01-28 Jesus Is He Israel s Messiah Indeed he is This book seeks to give evidence for Jesus being the Messiah of Israel and the world by drawing on various sources ranging from certain ideas observed in the Dead Sea Scrolls produced by the Qumran community including illuminating certain writings concerning Messiah generated by ancient rabbis The author also seeks to establish many prophecies fulfilled by Christ as spoken of in the Tanakh Old Testament and gives a strong case for miracles and the resurrection of Jesus An exposition of selected parables taught by Jesus at the end of this book will reveal that the very claims he made about himself came from no other than Messiah authenticated by his own ministry of miracles fulfilled prophesy performing resurrections including his own literal and physical rising from the dead

Spring Slaughter Sara Clancy,Scare Street,2019-12-06 They thought the harvest was over But a darker evil is about to be revealed It

has been more than a year since the offspring of Black River's oldest families made their final stand against the evil Bell Witch. Their victory took a heavy toll and left the survivors scarred and estranged from their blood lines. But now as they return home to their small quiet town, they are shocked to discover a new evil festering among the shadowy trees. Without the threat of the Witch's bloody harvest, the family elders have fallen into chaos. Internal squabbling has left them blind to this new enemy in their midst. Local legends have barely begun to fade when a group of tourists go missing. Some say the Witch has returned. But Basheba Mina and the others believe it could be something even worse. As the survivors dig deeper, they discover that one of their own may have been corrupted by an ancient evil, a power greater than anything they have faced before. But is the Bell Witch behind all this? Has she returned once again to wreck vengeance on the families she cursed centuries ago? Or does someone else lurk in the shadows plotting to seize power for themselves?

Step into the eerie world of Scare Street where supernatural horror and suspense await you at every turn. Our collection of ghost stories, urban legends, and haunted house stories offer the perfect mix of scary and spooky tales. Whether it's a creepy campfire classic, short horror stories, or unsettling creepypasta, our tales are crafted to bring thrills and chills that will keep you hooked.

King of the Grey Richard A. Knaak, 2017-02-07

The Grey are the legends of our imagination, but now through one man, they seek to live. From New York Times and USA Today bestselling author Richard Knaak comes a tale of the Grey. They are the shadows we see out of the corner of our eyes, the visions flickering past in the middle of the night. They are the elves, the fairies, and the other legends of our minds. They are the Grey. They are all around us, and they are a part of us, forever tied to our innermost thoughts. They seek to be truly real, to truly live, and for that, they need a human anchor, a false king, one who can give them substance. In Chicago, unsuspecting Jeremiah Todtmann has been chosen for that role. But even as he tries to come to grips with the existence of the Grey themselves, he will soon discover that while some represent the harmless dreams of men, there are others that are men's most deadly nightmares.
