Jesus The Controversial Messiah:

Jesus: the Controversial Messiah Maxim Mikulak, 2014-12-19 Was Jesus the Messiah of Israel How did he see himself How did his contemporaries see him How do we judge the many claims that have been made on his behalf Maxim W Mikulak Ph D synthesizes a vast array of material to arrive at a compelling portrait of the historical Jesus living in a time of great upheaval struggling to interpret Jewish prophesy and to define his spiritual calling in relation to it Dr Mikulak follows where the evidence leads as he examines the contradictory Scriptural passages surrounding such pivotal events as Jesus baptism by John his trial and crucifixion as well as his resurrection Jesus The Controversial Messiah is a thought provoking tour de force

Christology, Controversy, and Community David R. Catchpole, David G. Horrell, C. Christopher Mark Tuckett, 2000-01-01 This collection of essays by an international team of New Testament scholars focuses on various kinds of christological claim whether by the historical Jesus in the Q tradition John Paul or the synoptics and their connection with controversy and community

The Spirit of Contradiction in Christianity and Buddhism Hugh R. Nicholson, 2016 In this book Hugh Nicholson argues that seemingly counterintuitive and abstract religious concepts such as the Christian Trinity and the Buddhist concept of No self have developed out of social identity processes more specifically as a result of hegemonic struggles and intra and inter religious rivalry

God's Quest Lyman C.D. Kulathungam, 2019-12-09 Why bother with God when he is viewed as a sacred superstition a discarded non entity or a pretext for religious wars Jews and Christians have doubted and discarded God at many times throughout the ages and have also justified countless conflicts in his name Their history however tells a different story Here we observe the historical reality of God s relentless quest to relate with people whether Jew or gentile Despite significant differences between these communities this is the DNA that binds them and places them in a paradigm different from the one articulated in The Quest Christ Amidst the Quest where people are seeking to be freed from their predicament The Judeo Christian narrative shows God s incessant quest orchestrated through various channels such as scriptural revelation miraculous interventions covenantal commitments divine presence in the tabernacle or the temple God s sacrificial incarnation in Christ and the advent of the anticipated Jewish Messiah The narrative climaxes in a grand finale when humans and their habitat will be ushered into an age of peace and harmony Journeying through such a narrative will provide assurance that God is walking with you amidst life s turmoil and that the best is yet to be

Joseph and Benjamin: a series of letters on the controversy between Jews and Christians ... Fifth edition Joseph Samuel Christian Frederick FREY, 1837

Matthew's Transfiguration Story and Jewish-Christian Controversy A. D. Moses, 1996-02-01 The Gospel accounts of the transfiguration of Jesus continue to puzzle the average reader The

purpose of this book is to address some of the perplexing issues surrounding the event and to explain the significance of the transfiguration particularly in Matthew's Gospel. It demonstrates that Matthew's account of the event is to be seen in the context of first century controversy between Christians and Jews about Jesus and Moses with the Jews emphasizing Moses' greatness and Matthew portraying the transfiguration within Moses/Sinai categories and also in terms of the enigmatic Son of Man figure in Daniel 7. Possible influence of the transfiguration event is also seen elsewhere particularly in 2 Corinthians 3 and 4 where the author argues Paul uses his Damascus road experience as a counter to his opponents' emphasis on the law and Peter's witness to Jesus' transfiguration.

Encountering John Andreas J. Köstenberger, 2002-02. The uniqueness of the Gospel of John is readily apparent. In contrast to the overlapping material in the Synoptic Gospels, John shares only about ten percent of its content with Matthew, Mark, and Luke. John's distinct focus on Jesus' life as the culmination of salvation history makes it the theological pinnacle of the gospel tradition and establishes its author along with the apostle Paul as one of the early church's foremost theologians. Not a traditional commentary on the book, this volume like others in the Encountering Biblical Studies series is designed especially for classroom use. A lucid writing style and a number of pedagogical enhancements make this a perfect tool for helping students master the content and key interpretive issues of the Gospel of John. Like the other volumes in this series, the pedagogical usefulness of this work is enhanced by a number of features: copious illustrative tables, maps, and photos; sidebars and excursuses that address difficult passages and important issues; an outline and objectives at the beginning of each chapter; study questions and key terms at the conclusion of each chapter; a comprehensive glossary and annotated bibliography; instructor's manual available on diskette.

Mark Darrell Bock, 2015-08-06. This comprehensive, accessible introduction discusses the meaning and significance of Mark's gospel, widely considered the first recorded treatment of Jesus.
