

An all-new collection of
science fiction stories by the
author of *The Wind From Nowhere*
and *The Drowned World*.

J. G. BALLARD

The book cover features a complex, abstract design. The top half is divided into two main color fields: a large red field on the left and a green field on the right. The red field contains a large, white, stylized letter 'B' that is partially obscured by the title. The green field contains a dark, silhouetted figure of a person standing in a landscape. The bottom half of the cover is a light gray field with a large, white, stylized letter 'L' that is partially obscured by the title. The title 'BILLENIU' is printed in a bold, white, sans-serif font across the middle of the cover, spanning the red and green fields. The overall design is reminiscent of mid-20th-century science fiction book covers.
