Dutt, 2021-09-28 Iteration rules product development but it isn t enough to produce dramatic results This book champions Radical Product Thinking a systematic methodology for building visionary game changing products In the last decade we ve learned to harness the power of iteration to innovate faster we ve invested in a fast car but our ability to set a clear destination and navigate to it hasn t kept up When we iterate without a clear vision or strategy our products become bloated fragmented and driven by irrelevant metrics They catch product diseases that often kill innovation Radical Product Thinking RPT gives organizations a repeatable model for building world changing products The key Being vision driven instead of iteration led R Dutt guides readers through the five elements of the methodology vision strategy prioritization execution and measurement and culture to develop a clear process for translating vision into reality and turning RPT skills into muscle

memory This book offers refreshing solutions to the shortcomings of our current model for product development be prepared to toss out everything you know about a good vision and learn how to measure progress to create revolutionary products The best part You don't have to be a natural born visionary to produce extraordinary results **Economic Botany and Biodiversity Conservation** Mr. Rohit Manglik,2024-03-04
