romance scams is a powerful personal look at what it's like to be caught in one of these devastating cons. She doesn't just break down how the scam works; she takes you through the emotional rollercoaster of trust, betrayal, and heartbreak that so many victims experience. But what makes this book stand out is that Beth doesn't stay in the darkness. Instead, she turns her story into something bigger: a mission to educate, warn, and empower others so they don't have to go through what she did. It's a raw eye-opening and ultimately a testament to resilience and hope.

Lorna Doone R. D.

Blackmore, 2020-05-12. This classic novel of farmers, outlaws, and forbidden romance beautifully evokes seventeenth-century rural life in England's West Country. Amidst the social and religious upheaval of seventeenth-century England, the once noble Doone family has been transformed. Now a notorious clan of outlaws, the Doones show their victims no mercy: a lesson the yeoman John Ridd learns when they murder his father. Though he longs for revenge, John must continue to provide for his mother and sister. But his life as a respectable peace-loving farmer is turned on its head when he meets the beautiful Lorna Doone. As a member of the Doone clan, Lorna is John's sworn enemy. Yet he cannot help loving her. In a desperate act to save her from her own family, John must risk everything and finally confront his past in a way that will change both his and Lorna's lives forever. First published in 1869, R. D. Blackmore's timeless tale of star-crossed lovers combines vivid depictions of early modern England with a dramatic narrative that culminates in tragic violence.
