Gauhati University Question Papers:

Journal of the University of Gauhati University of Gauhati, 1975 **The Muslim Question in Assam and Northeast India** Monoj Kumar Nath, 2021-03-29 This book presents a systematic study of the transformation of the specific socio political identity of the Muslims in Assam. It discusses the issues of Muslims under India's indigenous secularism, Hindu nationalism and the rise of majoritarian politics. Muslim immigration into Assam after Independence, the Assam Movement and the shift of Muslims from being a vote bank to an autonomous force in the post Partition politics of Assam, the role of Jamiat and the divide between Assamese and the neo Assamese. It explores the history and contemporary politics of the state to show how they shape the new context of Muslim identity in Assam where previously an Assamese identity often prevailed over religious and linguistic identity. With the current debates on illegal immigration, the National Register of Citizens of India, NRC and the Citizenship Amendment Act 2019, this book will be a timely addition to the existing literature on Muslim minority politics in Assam and northeast India. This book will be useful to scholars and researchers of political science, sociology, political sociology, minority studies, northeast India studies, demography and immigration studies and development studies. It will interest those concerned with minority politics, communal politics, identity politics, migration, citizenship issues and South Asian studies. **University Administration in India** Asish Kumar Das, 2008 *DSE-Assam PGT Exam PDF-eBook* Chandresh Agrawal, Nandini Books, 2024-10-21 SGN The DSE Assam PGT Exam PDF eBook Covers All Sections of The Exam Except Current Affairs **Research on Examinations in India** Arthur Edwin Harper, Vidya Sagar Misra, Ramji Lal Gupta, 1976 Outcome of 2 research projects on the reliability of public examinations in India *Refugees, Borders and Identities* Anindita Ghoshal, 2020-08-06 This book examines the impact of Partition on refugees in East and Northeast India and their struggle for identity space and political rights. In the wake of the legalisation of the Citizenship Amendment Act in 2019, this region remains a hotbed of identity and refugee politics. Drawing on extensive research and in depth fieldwork, this book discusses themes of displacement, rehabilitation, discrimination and politicisation of refugees that preceded and followed the Partition of India in 1947. It portrays the crises experienced by refugees in recreating the socio cultural milieu of the lost motherland and the consequent loss of their linguistic, cultural, economic and ethnic identities. The author also studies how the presence of the refugees shaped the conduct of politics in West Bengal, Assam and Tripura in the decades following Partition. *Refugees, Borders and Identities* will be indispensable for scholars and researchers of refugee studies, border studies, South Asian history, migration studies, Partition studies, sociology, anthropology, political studies, international relations and refugee studies and for general readers of modern Indian history. **University Administration and Management** Association of Indian Universities, 1994 Papers presented at the 1st Round Table of Vice Chancellors organized at New Delhi from 16-20 May 1994 with special reference to Indian universities Examination Reform India.
