opacity and some historical deviant and generally transient practices it has often been accused of evil intents making it an ideal scapegoat in times of economic crisis prodding leading politicians and regulators to intervene and demand changes in practices Unfortunately such actors were often responding to public calls for action rather than a thorough understanding of the factors at play in this complex interdependent system doing often more harm than good in the process and depriving economies of one of their most dynamic and creative forces Self regulation has clearly shown its limits but righteous political interventions even more so Private equity investment can be a valuable addition to many portfolios but investors need a clear understanding of the forces at work before committing to this asset class With detailed explanations and expert insights Private Equity 4 0 is a comprehensive guide to the industry ways and means that enables the reader to capture its richness and sustainability
