

The Good Samaritan

The Samaritan took the man to an inn.

Jesus told a story to teach people to love others.

He paid the inn keeper to take care of him.

One day, a man was walking alone on a mountain path.

He promised to come back and make sure he was ok.

A gang of robbers jumped out on him. They beat him up and stole everything he had.

Jesus said we should show God's love to everyone.

The Plot to Overthrow Venezuela Dan Kovalik,2019-06-25 An in depth look at the US threat to save Venezuela Since 1999 when Hugo Chavez became the elected president of Venezuela the US has been conniving to overthrow his government and to roll back the Bolivarian Revolution which he ushered in to Venezuela With the untimely death of Hugo Chavez in 2013 and the election of Nicolas Maduro that followed the US redoubled its efforts to overturn this revolution The US is now threatening to intervene militarily to bring about the regime change it has wanted for twenty years While we have been told that the US s efforts to overthrow Chavez and Maduro are motivated by altruistic goals of advancing the interests of democracy and human rights in Venezuela is this true The Plot to Overthrow Venezuela answers this question with a resounding no demonstrating that The US s interests in Venezuela have always centered upon one and

only one thing Venezuela's vast oil reserves The US has happily supported one repressive regime after another in Venezuela to protect its oil interests Chavez and Maduro are not the tyrants we have been led to believe they are but in fact have done much to advance the interests of democracy and economic equality in Venezuela What the US and the Venezuelan opposition resent most is the fact that Chavez and Maduro have governed in the interest of Venezuela's vast numbers of poor and oppressed racial groups While the US claims that it has the humanitarian interests of the Venezuelan people at heart the fact is that the US has been waging a one-sided economic war against Venezuela which has greatly undermined the health and living conditions of Venezuelans The opposition forces the US is attempting to put into power represent Venezuela's oligarchy who want to place Venezuela's oil revenues back in the hands of Venezuela's economic elite as well as US oil companies The battle for Venezuela which is now being waged will determine the fate of all of Latin America for many years to come The Plot to Overthrow Venezuela lets readers know what is at stake in this struggle and urges readers to reconsider which side they are on

The True Human Being Maria Louise Odgaard Møller, 2019-06-17 The aim of Odgaard Møller's book is threefold The first main section seeks to clarify how and why Jesus is presented in the pre 1968 writings of the Danish theologian and philosopher K E Løgstrup 1905-1981 Throughout his work Løgstrup's main focus has been a rehabilitation of the insight that life is something definite because it is created Here Jesus primarily plays a methodological strategic role as the one confirming and giving witness to Løgstrup's interpretation of created life in a given time of his authorship When faith in creation is formulated polemically against another interpretation of life Jesus serves as Løgstrup's ally in this discussion In the second main section this examination is extrapolated to include a discussion with Bultmann and two of his students in order to clarify the character of his Christology not least whether or in what way this can be characterised as implicit Christology Finally in the light of Ricoeur's hermeneutic philosophy of religion the third main section considers the systematic theological validity of this picture of Jesus The overall conclusion can be summed up in this way The main line in Løgstrup's work goes from created life to the human being Jesus of Nazareth Jesus incarnates created life therefore he is the true human being This close connection between created Life and true Human Being is the kernel in Løgstrup's thought This makes his perception of Jesus and his Christology distinctive original and specifically Løgstrupian

Prodigality, Liberality and Meanness David Holgate,1999-08-01 This monograph interprets the parable of the Prodigal Son Lk 15 11 32 in the light of Graeco Roman popular moral philosophy Luke s special parables are rarely studied in this way but the results of this study are very fruitful The unity of the parable is supported and it is shown to be deeply concerned with a major Lukan theme the right use of possessions The whole parable is read in terms of the moral topos on covetousness and shown to be an endorsement of the Graeco Roman virtue of liberality modified by the Christian virtue of compassion The Short Story Ian Reid,2017-07-20 First published in 1977 this book examines the short story which is one

of the most widely read of all modern genres The study begins by examining some preliminary problems of definition before going on to trace the emergence of what is usually meant by the modern short story and examine the various kinds of narrative from which it derives such as the sketch the yarn M rchen parable and fable The final chapter considers the possibility that there are certain structural properties belonging distinctively to the short story This book will be of interest to those studying literature and creative writing **Balboa Films** Jean-Jacques Jura,Rodney Norman Bardin II,2015-08-13
