

# LAST DAY OF SCHOOL!

Dear Parents,

The last day of school... the closing of one door and the opening of another. I want to thank each child for all the warmth, the memories, and the learning that we have shared this school year.

To my students, I say THANK-YOU! For when I teach, I also learn. This past year we have grown together. A little bit of each of you will always be with me. Always strive to be the BEST that you can be!

To the parents, I say THANK-YOU for allowing me to be your child's teacher. It was been a wonderful and rewarding year for me.

I will love your child, always.

When kids take part in the activities that come from Maximum Middle School Physical Education they won't be able to wait for their next physical education class. Written and piloted by the 2003 NASPE National Middle School Physical Education Teacher of the Year, the lessons and activities provided in this comprehensive book and CD ROM package will keep middle school students interested and help you meet your daily challenges as a physical education teacher. Maximum Middle School Physical Education offers a mix of student-centered activities and lesson plans that foster affective growth, physical skills, and knowledge development. It's called maximum physical education because the book and CD ROM provide much more than just lesson plans, assessment sheets, and activities; it's a detailed guide to a joyful experience in physical education. The authors base their content on current best practices and the National Standards for Physical Education. They help you capture and keep middle schoolers' attention with activities that encompass fitness exercises, social skills, and physical skill development. With this package, you'll be able to use a wealth of fresh ideas that address the whole middle school student at this vital time of development, broaden your program's impact with the social, emotional, and personal responsibility threads woven through each lesson, and use over 150 worksheets, assessments, and other reproducibles to help you minimize prep time and stay organized. The CD ROM also contains handouts, task cards, posters, and station instructions. The book includes thumbnails of the CD ROM items so that you know when to include them in your teaching. The text also provides practical information and tested and true suggestions on promoting your program and making physical education a maximum learning experience for all involved. Maximum Middle School Physical Education will help you empower students to take responsibility for their own activity and fitness. And it will help you create an environment where your students experience maximum success, joy, and love for movement.

*Classroom Routines that Really Work for PreK and Kindergarten* Kathleen Hayes, Renee Creange, 2001  
 Help children learn classroom routines. Filled with ideas for introducing and managing essential early childhood routines and activities that foster independence and build community.

Reframing the Emotional Worlds of the Early Childhood Classroom Samara Madrid, David Fernie, Rebecca Kantor, 2014-10-30  
 This volume examines the emotional world of the early childhood classroom as it affects young children whose emotional wellbeing is crucial to successful learning. Educators for whom teaching is never a solely cognitive act, parents, and administrators. In a culture where issues such as bullying and teacher burnout comprise major challenges to student success, this book brings together diverse voices: researchers, practitioners, children, and parents, and multiple perspectives, theoretical and personal, to refocus attention on the pivotal role of emotion in schools. To do so, editors Samara Madrid, David Fernie, and Rebecca Kantor envision emotion as a dynamic, fluid, and negotiated construct performed and produced in the daily lives of children and adults alike. A nuanced yet cohesive analysis, *Reframing the Emotional Worlds of the Early Childhood Classroom* thus presents a challenge to the overriding concern with quantifiable classroom achievement that increasingly threatens to push the emotional lives of classroom participants to the margins of educational and public discourse.
