Re: Acct #XXXX-XXXX-XXXX-XXXX

Dear Madam/Sir,

I am writing to you today regarding my account #XXXX-XXXX-XXXX-XXXX. The purpose of my correspondence is to see if you would be willing to make a "goodwill" adjustment on the reporting of this account to the three credit agencies.

During the time period this account was established I was very happy with the service. I was however not the ideal customer and made mistakes with my handling of the account. I should have kept better records regarding the account and I take full responsibility. I became aware of the unpaid balance when I got a copy of my credit report in *(insert date)*.

I know that payment was my responsibility and I am not attempting to justify this breach of my user agreement. I was however hoping you might review the circumstances under which this non-payment occurred and consider removing the negative trade line associated with this account from my three credit reports.

A Concise Guide to Technical Communication Heather Graves, Roger Graves, 2020-11-06 This compact but complete guide shows that less is more with fewer extraneous details getting in the way of students trying to learn on the run it allows them to focus on the most important principles of effective technical communication The Concise Guide takes a rhetorical approach to technical communication instead of setting up a list of rules that should be applied uniformly to all writing situations it introduces students to the bigger picture of how the words they write can affect the people intended to read them Assignments and exercises are integrated throughout to reinforce and test knowledge [A Strategic Guide to Technical Communication - Second Edition \(US\)](#) Heather Graves, Roger Graves, 2012-05-23 A Strategic Guide to Technical Communication incorporates useful and specific strategies for writers to enable them to create aesthetically appealing and usable technical documentation These strategies have been developed and tested on a thousand students from a number of different disciplines over twelve years and three institutions The second edition adds a chapter on business communication reworks the discussion on technical style and expands the information on visual communication and ethics into free standing chapters The text is accompanied by a passcode protected website containing materials for instructors PowerPoint lectures lesson plans sample student work and helpful links [Monthly Bulletin - League of Red Cross Societies](#), 1929 *A Forensic Linguistic Approach to Legal Disclosures* James Stratman, 2015-10-08 This book is a scholarly work of forensic linguistics that demonstrates how the principles of Gricean pragmatics and their recent elaboration in Information Manipulation Theory IMT can be of use to courts faced with deciding cases of allegedly fraudulent disclosure documents The usual goal of legal rules for disclosure documents is not merely to prevent lying but other forms of deception as well In particular the goal of these rules is to force the communicator to reveal information that could cause material harm to certain receivers harms that the communicator for various reasons of self interest might prefer to keep secret or hidden Because IMT and the Gricean framework have seldom been used in published studies to investigate legally mandated disclosure documents aimed at laypersons this book seeks to enrich current explications of the rhetorical workings of deceptive disclosures within the broader Gricean tradition of pragmatics The book questions the fundamental relationships among Grice's maxims as well as the much circulated notion that violation of some maxims is more deceptive and more immoral than violations of others In addition the book also attempts to show how various other theories and research in discourse linguistics and reading comprehension can be used to support IMT analyses in addressing the discourse processing issues unique to legally required disclosure texts In this way the book contributes to the larger dual mission of the field of forensic linguistics which is both to understand and to improve courts impact on social justice **Straight Talk** Paul R. Timm, Sherron Bienvenu, 2011-01-05 Career success comes to people who are good at giving correct information developing strong working relationships attracting and satisfying customers working in teams solving disputes building consensus for decisions picking other people's brains for useful insights conveying ideas listening and building networks of friends and coworkers What is the common

denominator in all these activities They all involve the functions of communication the ability to influence through speaking writing interviewing and group interaction skills In fact excellent communication skills can do more to accelerate a promising career than almost any other factor Principles of Business Communication C. Glenn Pearce, Ross Figgins, Steven

Golen, 1984 **Celebrity Audiences** Martin Barker, Su Holmes, Sarah Ralph, 2018-03-08 The study of audience relations with star celebrity culture has often been marginalised in Star Celebrity Studies This book brings together new research which explores a range of audience encounters with celebrities moving across social media royal weddings national identity to questions of age gender and class In doing so the essays illuminate the complex and negotiated nature of audience investments in celebrity culture collectively questioning the often simplistic and dismissive judgements that are made about audience celebrity relationships in this regard The book provides a dedicated space to showcase a range of current work in the field seeking to both consolidate and stimulate what is a vibrant and crucial aspect of studying celebrity culture **A**
