King Tut's Gold Bill Butler, 2007-10 This story takes place deep in the Great Forest where people are rarely seen The inhabitants of this land called Bug A Boos may be bothered from time to time by animals like lizards or bears but most of the time the bugs who live in this story go about their own business of getting food building homes or arguing or fighting with each other Bug A Boos is a community much like the ones people create although on a much smaller scale Ralph the Drone is the main character in this story He is an unusual bee because he is not simply a worker bee he is a thinking bee who is concerned over threats to the well being of all of the bugs It was that characteristic which got Ralph in trouble because he openly disagreed with a plan for handling a drought which was announced by the Monarch the leader of all the bugs Ralph found himself banished to the land of the fire ants for daring to suggest a better approach This proved to be fortunate because Ralph and two friends who joined him Millie the Moth and Chuck the Chub overheard the fire ant's leader General G planning an attack Bug A Boos and recommended a way to counter the attack The plan worked and the fire ants were turned back Ralph was still held in disdain however The leader of the fire ants General G was not the type of bug that would give up easily He also vowed to get even with Ralph the Drone and made a pact with the evil Ann Mantis to capture Ralph She was more than pleased to help General G because of her long standing hate of Ralph When Ralph is captured by the fire ants it appears the peaceful community of Boos and its incompetent leader the Monarch will at last fall prey to the fire ants

Beauty and Power Mark Johnson,2020-05-25 This compelling study of gender and sexual diversity in the Southern Philippines addresses general questions about the relationship between the making of gender and sexualities the politics of national and ethnic identities and processes of cultural transformation in a world of contract labourers and transnational consumers The book focuses in particular on the meaning and experience of local gays transvestite transgender homosexual men who are at once celebrated as purveyors of beauty defined in terms of a global American otherness and valorized as impotent men and defiled women In short America functions both as a sign of their abjected status and as a space for imagining and reformulating various gendered identities This innovative work one of the first ethnographic studies to be published in the aftermath of the region s civil unrest will be of interest to anyone working on gender the body and sexuality Not only does it extend the boundaries of cross cultural studies of non mainstream genders and sexualities by directly engaging the entanglement of local sensibilities with global images and discourse but it also demonstrates that there is nothing ambiguous about ambiguity gendered sexual or otherwise Rather this ambiguity is the specific product of different historical relations of power through which various cultural subjects are created and re create themselves Punch Mark Lemon, Henry Mayhew, Tom Taylor, Shirley Brooks, Francis Cowley Burnand, Owen Seaman, 1924 *Sunni* Julianna Boyer,2014-03 The historical figure of King Tut comes alive in the novel *Sunni* The Life and Love of King Tutankhamun s Wife

The dramatic story of the boy pharaoh of Egypt has fascinated the world for generations touching on romance and unsolved mystery. Sunni was the half sister of King Tut. Four years older, she became the biggest part of his growing up years. After Tut became King, he chose Sunni to be his wife. The book tells their love story including both the good and bad times. From miscarriages to infidelity, the story gives the life and love of King Tut's reign through the eyes of his one true love. After his death, Sunni had huge decisions to make and any wrong choice could result in tragedy. First time author Julianna Boyer has been interested in King Tutankhamun since she was a little girl. She lives in Jefferson City, Missouri, with her husband John, two daughters, and a grandson. Ever since I was 12, I have been almost obsessed with King Tut. Between that passion, dreams, and a past life regression, I was inspired to write this book. Publisher's website: <http://sbprabooks.com> JuliannaBoyer
