**Directions:** Read the following passages and determine the narrative perspective, then explain how you were able to identify the point of view.

**Narrative Perspective (point of view):** first-person, second-person, third-person objective, third-person limited, third-person omniscient.

### 1. The Wizard of Oz by L. Frank Baum

The Scarecrow found a tree full of nuts and filled Dorothy's basket with them, so that she would not be hungry for a long time. She thought this was very kind and thoughtful of the Scarecrow, but she laughed heartily at the awkward way in which the poor creature picked up the nuts. His padded hands were so clumsy that he dropped almost as many as he put in the basket. But the Scarecrow did not mind how long it took him to fill the basket, for it enabled him to keep away from the fire, as he feared a spark might get into his straw and burn him up (49).

### 2. Ask a Ninja Presents: The Ninja Handbook by the International Order of Ninjas

Remember, any tool that you can use against an enemy may also be used against you. Therefore it is highly recommended that you build a course with your clan to practice keeping your wits about you when something is trying to set you off course. Ninjas train on special courses that really mess with their perception of space, but that doesn't mean you can't make your own mini gauntlet to increase your skills in your own backyard (78).

### 3. Harry Houdini: A Photographic Story of a Life by Vicki Cobb

Harry called their grand finale "Metamorphosis," which means "change in appearance." Harry would tie Theo's hands behind his back with a rope, then put him in a sack and tie the top. The tied and bagged Theo was then placed into the trunk which was locked and tied with ropes. A curtain was drawn so that no one could see the trunk, although they could hear Theo banging around inside. With great drama, Houdini told the audience, "When I clap my hands three times—behold a miracle!" He moved behind the curtain, clapped three times, and out stepped Theo, arms raised triumphantly" (31).
