iphone 12 pro mastering Jim Wood,2021-01-26 This guide is formulated to help you get started with using your iPhone in as little time as possible You can start using the iPhone as soon as you start using this book rather than have to wait to finish the guide before starting That is not even all this guide was purposely written to serve as an iPhone guide in a non formal and too techy language except where it cannot be avoided even then a lot of efforts has been put in to ensure the language used in this book is a little more casual than what you would expect from most other iPhone manuals With this book in your hands you can save yourself time and tons of energy by sampling following the tips tricks and advice you ll find within You will also gain immense knowledge in the step by step easy to follow chapters used throughout this book Only those who have this book can benefit from having such an amazing reference book that can deal with any potential challenges you might find face along the way From an iPhone Novice to Expert User Acquiring an iPhone can be both a thrilling and intimidating experience On the one hand it s can feel like just being gifted a new toy you have always wanted especially a great phone like the iPhone 12 Pro Max on the other hand being called one of the best phones on planet earth means it has to have lots of features I mean you probably would have also found out for yourself that it does have lots and lots of features Some of which you probably may never use But for those features you intend to use or should use you will need a great guide like this book that understands your needs and is ready to take you through the process in a language simple to understand This guide is formulated to help you get started with using your iPhone in as little time as possible You can start using the iPhone as soon as you start using this book rather than have to wait to finish the guide before starting That is not even all this guide was purposely written to serve as an iPhone guide in a non formal and too techy language except where it cannot be avoided even

then a lot of efforts has been put in to ensure the language used in this book is a little more casual than what you would expect from most other iPhone manuals The iPhone 12 family uses the new iOS 14 which expectedly comes with many useful tools including the ability to display Triple lens 3D camera for better video and gaming and a lot more The New physical design is also a slight departure from the iPhone 11 and comes prepared to handle 5G connectivity as well as integrate two forms of 5G It is needless to say that the iPhone 12 Pro Max is a great engineering combination of premium hardware quality software and great accessories all aimed at making your user experience with the iPhone a great one They have successfully done that over the years Some of the things you should expect in this book include Manage Apple ID and iCloud Settings on iPhone Ways to use iCloud on iPhone 12 Take a Screenshot or Screen Recording On iPhone 12 Change iPhone 12 Sounds and Vibrations Home screen and open apps Type and Edit Text on iPhone 12 Add or change keyboards on iPhone 12 Using Maps Application Use and Customize Control Center on iPhone 12 Allow Features Access from Device Lock Screen How to use app clips on iPhone Choose iPhone 12 Settings for Travel Set up Screen Time for a Family Member on iPhone 12 Set Do Not Disturb on iPhone 12 Turn on Do Not Disturb While Driving Switching Between Apps on iPhone 12 Switching Between Open Apps Lots more within the pages of the book The iPhone is arguably the most powerful phone out there and can be used to take great photos and can do just about anything Then even though some people intuitively find it easy to use for some others especially for those who have never used it before or thos Translator Linsy B PUBLISHER TEKTIME **MACBOOK AIR**
