**Lidia's Italy in America** Lidia Matticchio Bastianich, Tanya Bastianich Manuali, 2011-10-25. From one of America's most beloved chefs and authors, a road trip into the heart of Italian American cooking today from Chicago deep dish pizza to the Bronx's eggplant parm, celebrating the communities that redefined what we know as Italian food. As she explores this utterly delectable and distinctive cuisine, Lidia shows us that every kitchen is different, every Italian community distinct, and little clues are buried in each dish: the Sicilian style semolina bread and briny olives in New Orleans, Muffuletta Sandwiches, the Neapolitan crust of New York pizza and mushrooms abundant in the United States but scarce in Italy, stuffed with breadcrumbs just as peppers or tomatoes are. Lidia shows us how this cuisine is an original American creation and gives recognition where it is long overdue to the many industrious Italians across the country who have honored the traditions of their homeland in a delicious new style. And of course, there are Lidia's irresistible recipes including Baltimore Crab Cakes, Pittsburgh's Primanti's Sandwiches, Chicago Deep Dish Pizza, Eggplant Parmigiana from the Bronx, Gloucester Baked Halibut, Chicken Trombino from Philadelphia, authentic Italian American Meatloaf and Spaghetti and Meatballs, Prickly Pear Granita from California, and of course a handful of cheesecakes and cookies that you'd recognize in any classic Italian bakery. This is a loving exploration of a fascinating cuisine as only Lidia could give us.

My Collection of Recipes from Across America and Germany E. John Boles, 2022-11-14. This is not a professionally written cookbook but is a representation of homegrown family cooking. Minus a few corporate inspired recipes and one professional carrot cake recipe, my little book of kitchen recipes is a collection of hand-me-down family recipes from one generation to the next. The design of this book has been left plain because, in the author's opinion, too many illustrations cause distractions in the kitchen. It is his hope that by providing the space to enter a recipe or alter an existing one, more people will take up cooking again and continue to pass these and other recipes on to future generations.
