1881 *Coming to Know the Lord Jesus Christ* Jason Laverman, 2024-09-17 This is the story of my journey in coming to know the Lord Jesus Christ I grew up in an area where most people called themselves Christians I always considered myself to be a Christian too Sure I looked like most people in this world and yes some guest speakers had some powerful Christian testimonies to which I could not relate John 3:16 says that one just has to believe in Jesus I believed in Jesus so I thought those people must just be the really good Christians Later on in life I'd become quite grateful I was very grateful for my first child These things spurred me on to seek Jesus more diligently It was time to become a better Christian so I thought During a church leadership conference I came to know the Lord Jesus Christ in a real and living way My deep and honest sharing of the lessons I've learned in getting to this point and the lessons I've learned since while pursuing Jesus deeper will be of service to you who are seeking Jesus Stories of the trials I've been through may speak to you Maybe you are a skeptic of Jesus There are so many gods and religions out there that you just haven't been able to trust that Jesus is the one true God Maybe this sinful world and the actions of some have left you questioning if Jesus Christ is good My testimonies share a living Jesus who dwells in His people today He is love and ministers His Spirit with its fruit into His people in their times of need when they submit to Him I'll point out the abundance of evidence that God is love in the midst of this broken world In America today we have churches teaching all sorts of different things Practicing of sin runs rampant Many professing

Christians look no different than most people We have a plague of people merely believing of Jesus Jesus said himself in Matthew chapter 7 that few find the way of life He compared them against many who would affectionately call him Lord and be able to point to all sorts of works of service they did for Him yet Jesus would tell them Depart from me I never knew you There could be nothing worse than being deceived into falsely presuming yourself to be a Christian I ll show you where the Bible defines for us whom these few are Upon hearing what it is like to come to know Jesus maybe you will be convicted that you have no such testimonies yourself You ll be asked to genuinely exam yourself with life s most important questions I ll give comparisons for the general differences between those who merely believe of Jesus versus those who have believed into Him

Encyclopedia of Christian Education George Thomas Kurian, Mark A. Lamport, 2015-05-07 Christianity regards teaching as one of the most foundational and critically sustaining ministries of the Church. As a result, Christian education remains one of the largest and oldest continuously functioning educational systems in the world, comprising both formal day schools and higher education institutions as well as informal church study groups and parachurch ministries in more than 140 countries. In *The Encyclopedia of Christian Education*, contributors explore the many facets of Christian education in terms of its impact on curriculum, literacy, teacher training, outcomes, and professional standards. This encyclopedia is the first reference work devoted exclusively to chronicling the unique history of Christian education across the globe, illustrating how Christian educators pioneered such educational institutions and reforms as universal literacy, home schooling, Sunday schools, women's education, graded schools, compulsory education of the deaf and blind, and kindergarten. With an editorial advisory board of more than 30 distinguished scholars and five consulting editors, *The Encyclopedia of Christian Education* contains more than 1,200 entries by 400 contributors from 75 countries. These volumes cover a vast range of topics from Christian education history, spanning from the church's founding through the Middle Ages to the modern day; denominational and institutional profiles; intellectual traditions in Christian education; biblical and theological frameworks; curricula; missions; adolescent and higher education; theological training; and Christian pedagogy. Biographies of distinguished Christian educators. This work is ideal for scholars of both the history of Christianity and education as well as researchers and students of contemporary Christianity and modern religious education.
