

Jk Rowling

Although she writes under the pen name "J. K. Rowling" her name when her first Harry Potter book was published was simply "Joanne Rowling". Her publisher Bloomsbury feared that the target audience of young boys might be reluctant to buy books written by a female author, and requested that she use two initials, rather than reveal her first name. Born on 31 July 1965 in Yate, Gloucestershire, England She attended St Michael's Primary School. Her headmaster, Alfred Dunn, has been suggested as the inspiration for the Harry Potter headmaster Albus Dumbledore. She attended secondary school at Wyedean School and College.

Rowling has said of her adolescence, "Hermione [A bookish, know-it-all Harry Potter character] is loosely based on me. She's a caricature of me when I was eleven, which I'm not particularly proud of. " Rowling read for a BA in French and Classics at the University of Exeter, and after a year of study in Paris, she moved to London to work as a researcher and bilingual secretary for Amnesty International. In 1990, while she was on a train trip from Manchester to London, the idea for a story of a young boy attending a school of wizardry "came fully formed" into her mind.

She told The Boston Globe that "I really don't know where the idea came from. It started with Harry, then all these characters and situations came flooding into my head. " Rowling then moved to Porto, Portugal to teach English as a foreign language. While there, on 16 October 1992, she married Portuguese television journalist Jorge Arantes. Their child, Jessica Isabel Rowling Arantes was born on 27 July 1993 in Portugal. They separated in November 1993.

In December 1993, Rowling and her daughter moved to be near her sister in Edinburgh, Scotland. During this period Rowling was diagnosed with clinical depression, and contemplated suicide. It was the feeling of her illness which brought her the idea of Dementors, soul-sucking creatures introduced in the third book. In 1995, Rowling finished her manuscript for Harry Potter and the Philosopher's Stone on an old manual typewriter. The book was submitted to twelve publishing houses, all of which rejected the manuscript. A year later she was finally given the green light (and a ? 1500 advance) by editor Barry Cunningham from Bloomsbury, a small British publishing house in London, England.

Soon after, in 1997, Rowling received an ? 8000 grant from the Scottish Arts Council to enable her to continue writing. The following spring, an auction was held in the United States for the rights to publish the novel, and was won by Scholastic Inc. , for \$105,000. In June 1997, Bloomsbury published Philosopher's Stone with an initial print-run of 1000 copies. Five months later, the book won its first award, a Nestle Smarties Book Prize. In February, the novel won the prestigious British Book Award for Children's Book of the Year, and later, the Children's Book Award.

Jk Rowling Spoken Language Essay

Defeng Li, John Corbett

Jk Rowling Spoken Language Essay:

Literature, Spoken Language and Speaking Skills in Second Language Learning Christian Jones, 2019-11-07
Explores how literature is used as a model of spoken language and to develop speaking skills in second language learning

The Ivory Tower, Harry Potter, and Beyond Lana A. Whited, 2024-02-26 In her follow up to *The Ivory Tower* and *Harry Potter* Lana A. Whited has compiled a new collection of essays analyzing the books, films and other media by J. K. Rowling. This includes pieces on the *Harry Potter* books and movies, *Fantastic Beasts* and *Where to Find Them* films, *The Cursed Child* play as well as her writing outside the wizarding universe such as *The Ickabog*, *The Casual Vacancy* and the *Cormoran Strike* series. Many of the chapters explore works that influenced the *Harry Potter* series including Classical epic, Shakespearian comedy and tragedy and Arthurian myth. In addition to literary comparison, the volume delves into topics like political authoritarianism, distrust of the media, racial and social justice and developments in fandom. It's fair to say that much has changed in regard to *Harry Potter* and J. K. Rowling scholarship in the twenty years since the first volume's publication. While it was once considered a universally beloved book series, the relationship between HP and its fans has grown more complicated in recent years. As its readers have grown older and Rowling's reputation has wavered in the public eye, Whited and her contributors consider the complicated legacy of *Harry Potter* and its author and explore how the series will evolve in the next twenty years.

Core Values in School Librarianship Judi Moreillon, 2021-05-11 This title offers pre-service, newly practicing and seasoned school librarians opportunities for reflection as well as inspiring strategies for enacting four core values of the profession. The school library profession has been in crisis for more than a decade. Educational decision makers have not been made aware of or sold on the core values of school librarianship and its value to students, classroom teachers, administrators and the entire school community. Budgetary priorities often do not include school librarians, resulting in a lack of funding and the elimination of many positions which can cause many school librarians to feel vulnerable and afraid. Guideposts are needed to offer today's school librarians a chance to connect or reconnect with their passion for literacy learning and serving that led them to the profession. *Core Values in School Librarianship: Responding with Commitment and Courage* provides pre-service, newly practicing and seasoned school librarians with opportunities for thoughtful reflection alongside inspiring strategies for gathering courage and enacting four core values of the profession. It is an important and visionary book that all school librarians should read as they develop in their role as leaders in their schools.

Answers May Vary: Essays on Teaching English as a Second Language Dorothy Zemach, Twenty-five essays on teaching English as a second language by renowned ELT materials writer and teacher trainer Dorothy Zemach. The wide variety of topics include classroom management, testing and assessment, teaching reading strategies, coping with cheating and plagiarism, teaching visual learners, culture shock, the value of a non-native teacher and recognizing and overcoming teacher burnout. This volume contains the complete collection of her From A to Z columns originally published in TESOL's *Essential Teacher* magazine.
