Memes, Monsters, and the Digital Grotesque Cristina Moreno-Almeida, 2024-05-16 *Memes Monsters and the Digital Grotesque* looks at the emerging and thriving new genre of digital horror from an innovative perspective Examining digital cultural production during the period that has been referred to as the Arab Winter Moreno Almeida delves into the memes animated cartoons music videos and expressive cultures like fashion and urban subcultures that emerged between 2016 and 2020 In revealing concealed narratives underlying the digital lives of artists as well as ordinary people Moreno Almeida explores how memes horror and the grotesque capture a moment infused with political and affective significance characterized by despair alienation and anomie alongside opportunities for creative experimentation made possible in the postdigital era

The World Made Meme Ryan M. Milner, 2018-04-13 How memetic media aggregate texts that are collectively created circulated and transformed become a part of public conversations that shape broader cultural debates Internet memes digital snippets that can make a joke make a point or make a connection are now a lingua franca of online life They are collectively created circulated and transformed by countless users across vast networks Most of us have seen the cat playing the piano Kanye interrupting Kanye interrupting the cat playing the piano In *The World Made Meme* Ryan Milner argues that memes and the memetic process are shaping public conversation It s hard to imagine a major pop cultural or political moment that doesn t generate a constellation of memetic texts Memetic media Milner writes offer participation by reappropriation balancing the familiar and the foreign as new iterations intertwine with established ideas New commentary is crafted by the mediated circulation and transformation of old ideas Through memetic media small strands weave together big conversations Milner considers the formal and social dimensions of memetic media and outlines five basic logics that structure them multimodality reappropriation resonance collectivism and spread He examines how memetic media both empower and exclude during public conversations exploring the potential for public voice despite everyday antagonisms Milner argues that memetic media enable the participation of many voices even in the midst of persistent inequality This new kind of participatory conversation he contends complicates the traditional culture industries When age old gatekeepers intertwine with new ways of sharing information the relationship between collective participation and individual expression becomes ambivalent For better or worse and Milner offers examples of both memetic media have changed the nature of public conversations

Elon Musk and His Corporate Caliphate Yang Burzhome, 2025-08-18 This book uncovers the ugly truth behind the facade of American democracy how corporate titans and far right demagogues are creating a new world order where imperialism white supremacy Jihadi Christianity and techno authoritarianism go hand in hand In a time when Israel drops bombs on hospitals in Gaza killing babies and the U S backs genocide with impunity two men Elon Musk and Donald Trump have emerged not as anomalies but as symbols of a decaying American empire Is Elon Musk saving the world or privatizing it Elon Musk isn t just the world s richest man He s the architect of a new corporate feudalism where

billionaires wield more power than nations democracy is for sale and progress means profit for the few In this blistering expos we dissect Musk s empire to reveal The Hypocrisy Machine How Musk took 5 BILLION in government subsidies while ranting against socialism and why U S policy fuels his monopolies Techno Tyranny Unmasked From union crushing factories to free speech Twitter purges Musk s real innovation is exploitation Moral Bankruptcy Inc Why his own daughter calls him a sad immature man and how his racism misogyny and spiritual emptiness reflect capitalism s decay The America Party Blueprint Musk s alliance with Trump far right movements and media empires pushing the U S toward cultural fascism Your Future as a Digital Serf Why SpaceX Neuralink and AI aren t about human advancement but about entrenching a new ruling class A vital wake up call Blurb from early reviewer if possible Why Readers Can t Put It Down Explosive Revelations Never before seen connections between Musk s empire policy corruption and America s democratic crisis No Academic Jargon Raw accessible analysis that reads like a thriller not a textbook The Human Cost Shocking testimonies from Tesla workers Twitter employees and those crushed by Musk s ambition Hope in the Wreckage How recognizing techno feudalism is the first step to dismantling it This book will forever change how you see Grab your copy today before the algorithm buries it *Spirits & Cat Ears, Vol. 4* Miyuki Nakayama,2017-11-28 Exams are fast approaching so Neneko s looking to get some studying done She and Shichikage head over to the library where they meet a little boy named Sou He seems to be looking for something important but why are they the only ones who can see him Meanwhile the director is visiting her boyfriend **Language, Literacy, and Technology** Richard Kern,2015-05-28 From the origins of writing to today s computer mediated communication material technologies shape how we read and write how we construe and share knowledge and ultimately how we understand ourselves in relation to the world However communication technologies are themselves designed in particular social and cultural contexts and their use is adapted in creative ways by individuals In this book Richard Kern explores how technology matters to language and the ways in which we use it Kern reveals how material social and individual resources interact in the design of textual meaning and how that interaction plays out across contexts of communication different situations of technological mediation and different moments in time Showing how people have adapted visual forms to various media as well as to social needs this study culminates in five fundamental principles to guide language and literacy education in a period of rapid technological and social change **Justice on Demand** Tanya Horeck,2019-11-11 Explores the proliferation of true crime audiovisual texts across multiple media platforms Justice on Demand True Crime in the Digital Streaming Eraoffers a theoretical rumination on the question asked in countless blogs and opinion pieces of the last decade Why are we so obsessed with true crime Author Tanya Horeck takes this question further Why is true crime thought to be such a good vehicle for the new modes of viewer listener engagement favored by online streaming and consumption in the twenty first century Examining a range of audiovisual true crime texts from podcasts such as Serialand My Favorite Murderto long form crime documentaries such as The Jinxand Making a Murderer Horeck

considers the extent to which the true crime genre has come to epitomize participatory media culture where the listener viewer acts as a desktop detective or internet sleuth While Facebook and Twitter have re invigorated the notion of the armchair detective Horeck questions the rhetoric of interactivity surrounding true crime formats and points to the precarity of justice in the social media era In a cultural moment in which user generated videos of real life violence surface with an alarming frequency Justice on Demand addresses what is at stake in the cultural investment in true crime as packaged mainstream entertainment Paying close attention to the gendered and racialized dimensions of true crime media Horeck examines objects that are not commonly considered true crime including the subgenre of closed circuit television CCTV elevator assault videos and the popularity of trailers for true crime documentaries on YouTube By analyzing a range of intriguing case studies Horeck explores how the audience is affectively imagined addressed and commodified by contemporary true crime in an on demand mediascape As a fresh investigation of how contemporary variations of true crime raise significant ethical questions regarding what it means to watch listen and witness in a digital era of accessibility immediacy and instantaneity Justice on Demand will be of interest to film media and digital studies scholars

Launch! Advertising and Promotion in Real Time

Michael Solomon, 2009 Launch Advertising and Promotion is written for advertising and promotion courses taught to students in the business school and journalism mass communication students This textbook is the first of its kind to teach advertising concepts by reverse engineering a real advertising campaign from beginning to end In April 2007 SS K an innovative New York City communications agency launched the first ever branding campaign for msnbc com with the tag A Fuller Spectrum of News Launch follows that campaign from initial agency pitch through roll out of print and media assets to post campaign analysis Throughout it exposes readers to the theory and concepts of advertising and promotion and the personalities and decisions that drove this campaign The book takes a rare look behind the curtain even letting you see some of the paths not chosen by the agency and client Students get a realistic sense of how theory plays out in practice and get a flavor for the exciting field of advertising and promotion And they consistently learn the perspectives of both the advertising agency where many journalism and communications students will work and the client where many marketing majors will work This is a unique book with a unique perspective by a unique author team and you won't find this kind of insight in any other text on the market We think you're going to love it This textbook has been used in classes at Ball State University Emerson College Florida Institute of Technology Grand Valley State University Johnson County Community College Manchester Business School McLennan Community College Michigan State University North Hennepin Community College Pierce College Rochester Institute of Technology Saint Louis University Salem State College South Dakota State University Texas State University Texas Tech University University of New Hampshire University of North Carolina University of Notre Dame University of South Florida Virginia Tech Western Kentucky University

Stereotypes in Internet Memes. A Linguistic Analysis I. Magel, 2017-02-28 Examination Thesis from the year 2016 in the subject English Language and Literature Studies Linguistics grade 2.0 language English abstract At first glance internet memes seem to be the humorous part of our digital culture Indeed they are But they also reveal stereotypical thinking which I will focus on in my analysis This analysis will investigate thoroughly internet memes from a linguistic viewpoint Starting from Richard Dawkins' definition via Susan Blackmore's third replicator theory through to Limor Shifman's critical approach about the state of research concerning memes Internet memes are also examined from a communication oriented view Successful Black Man Successful White Man Ordinary Muslim Man and High Expectation Asian Father serve as a basis for my analysis A combination of

Semiotic Analysis and Discourse Analysis is used in order to examine the selected examples Both methods were chosen because Internet memes involve written texts as well as signs or images which contain invisible meaning All results taken together this thesis will show that Internet memes are still interpreted stereotypically in our multicultural present day society

Are You a Mutant? Raquel Reyna,2023-08-25 If things were to collapse would you still know who you are Would you know which way to turn if you suddenly felt betrayed by the company you worked for or by the leaders of your country Do you feel empowered to make decisions for yourself or do you rely on others for guidance Each of us is conditioned to fit in to strive for specific goals to make life choices that our parents or society designated for us rather than to understand and strive to live our uniqueness And because we are in uncharted territory in these new times which call for serious upgrades it is essential to learn who you are how to live as your unique self and how to make decisions based on your own personalized inner GPS system a powerful inner guidance system you probably don t even know you have Are You a Mutant breaks down a brand new intel designated to assist you in uncovering a truth about yourself that is inevitably shocking An insight that rings true like a mystical calling from your soul that simultaneously reveals all the places in your life you are living as a fake In these changing times we need all the upgrades we can get and now it is time for an INNER WORLD UPGRADE a new system of knowledge to support your understanding of the world we are currently wading through its complexity who you are within it what makes you different and how you can live the best strategy for your personal success satisfaction peace and the wonderment of being alive
