**Memoirs of Hadrian** Marguerite Yourcenar, 2005-05-18 Both an exploration of character and a reflection on the meaning of history Memoirs of Hadrian has received international acclaim since its first publication in France in 1951 In it Marguerite Yourcenar reimagines the Emperor Hadrian's arduous boyhood his triumphs and reversals and finally as emperor his gradual reordering of a war torn world writing with the imaginative insight of a great writer of the twentieth century while crafting a prose style as elegant and precise as those of the Latin stylists of Hadrian's own era Marguerite Yourcenar, 1974 Hadrian approaching death writes a valedictory letter to the young Marcus Aurelius next but one in the line of succession Hadrian describes his accession and explains the philosophy that informed his rule over the powerful and far flung Empire **Memoirs of Hadrian** Marguerite Yourcenar, 1984 Both an exploration of character and a reflection on the meaning of history Memoirs of Hadrian has received international acclaim since its first publication in France in 1951 In it Marguerite Yourcenar reimagines the Emperor Hadrian's arduous boyhood his triumphs and reversals and finally as emperor his gradual reordering of a war torn world writing with the imaginative insight of a great writer of the twentieth century while crafting a prose style as elegant and precise as those of the Latin stylists of Hadrian's own era Figures Clayton Koelb, 1998-01-01 Legendary Figures examines revolutionary views of the past that have played a crucial role in European and American literature of the last 150 years Clayton Koelb traces these new approaches to history through an impressive range of novels from Flaubert's Salammb to Christa Wolf's Cassandra Koelb argues that this new historical sense which arose in the mid nineteenth century gained eloquent expression in Flaubert's writings What is crucial about the new historical sense is that it views the past as essentially alien and other The connection between past and present may be powerful but it is always indirect and difficult to negotiate As a result the past seems exotic and unattainable the object of nostalgia and desire Koelb distinguishes this sense of history with its persistent discontinuities between past and present from the more continuous and progressive views of history of novelists like Sir Walter Scott and such philosophers as Hegel Marx and Luk cs In their writings history proceeds according to the laws of cause and effect and each epoch can be understood as both the result of the previous one and the cause of the next In contrast the modernist writers that Koelb examines Flaubert Pater Mann Broch Wilder Yourcenar and Wolf imagine a past that is mythic and legendary and thus a metaphor for everything distant complicated unattainable and unknowable Modern Classics Memoirs of Hadrian Marguerite Yourcenar, 2001-02-06 Framed as a letter from the Roman Emperor Hadrian to his successor Marcus Aurelius Marguerite Yourcenar's Memoirs of Hadrian is translated from the French by Grace Frick with an introduction by Paul Bailey in Penguin Modern Classics In her magnificent novel Marguerite Yourcenor recreates the life and death of one of the great rulers of the ancient world The Emperor Hadrian aware his demise is imminent writes a long valedictory letter to Marcus Aurelius his future successor The Emperor meditates on his past describing his accession military triumphs love of poetry

and music and the philosophy that informed his powerful and far flung rule A work of superbly detailed research and sustained empathy Memoirs of Hadrian captures the living spirit of the Emperor and of Ancient Rome Marguerite de Crayencour 1903 88 who went by the inexact anagrammatic pen name Marquarite Yourcenar was a Belgian born French novelist and essayist the first woman to be elected to the Acad mie fran aise Her first novel Alexis was published in 1929 in 1939 she was invited to America by her lover Grace Frick where she lectured in comparative literature at Sarah Lawrence College in New York When M moires d Hadrien was first published in 1951 it was an immediate success and met with great critical acclaim If you enjoyed Memoirs of Hadrian you might like Robert Graves s I Claudius also available in Penguin Modern Classics A timeless masterpiece every page is informed by her profound scholarship Paul Bailey author of Gabriel s Lament Yourcenar conjures worlds She can make us share passion for beauty bodies ideas even power and consider it closely at the same time She is that most extraordinary thing a sensual thinker Independent on Sunday **Baroque Fictions** Margaret Elizabeth Colvin, 2005 This volume is the first in depth study of the French novelist Marguerite Yourcenar's fiction to contend that the author's texts exhibit in unexpected ways numerous characteristics of the neobaroque This subversive postmodern aesthetic privileges extravagant artistic play flux and heterogeneity In demonstrating the affinity of Yourcenar's texts with the neobaroque the author of this study casts doubt on their presumed transparency and stability qualities associated with the French neoclassical tradition of the past century where the Yourcenarian oeuvre is most often placed Yourcenar's election to the prestigious tradition bound French Academy in 1981 as its first female immortal cemented her already well established niche in the twentieth century French literary pantheon A self taught classicist historian and modern day French moralist Yourcenar has been praised for her polished classical style and analyzed for her use of myth and universal themes While those factors at first seem to justify amply the neoclassical label by which Yourcenar is most widely recognized this study s close reading of four of her fictions reveals instead the texts opacity and subversive resistance to closure their rejection of stable interpretations and their deconstruction of postmodern Grand Narratives Theirs is a neobaroque logic which stresses the absence of theoretical assurances and the limitations of reason The coincidence of the new millennium which in so many ways reflects Yourcenar's disquieting vision and her centenary in 2003 affords not so much an excuse to reject the author's neoclassical label but rather the obligation to reassess it in light of contemporary discourses This study will be of interest to students of twentieth century French fiction and comparative literature especially that of the latter half of the twentieth century Marguerite Yourcenar: biographie, autobiographie Elena Real,1988 Memoirs of Hadrian Marguerite Yourcenar,1983 Marquerite Yourcenar and the USA Bérengère Deprez, 2009 This is a very welcome contribution to the debate on the real effect of the United States on Yourcenar slife and thought a good read on a fascinating subject which critics have often treated dimissively Future scholarship will be obliged to weigh Berengere Deprez s arguments and evidence seriously and thank her for her clearheaded thoroughness Prof Brian Gill University of Calgary

Canada Marguerite Yourcenar's Hadrian Keith Bradley, 2024-01-31 Marguerite Yourcenar is best known as the author of the 1951 novel M moires d Hadrien her recreation of the life of the Roman emperor Hadrian The work can be examined from the perspective of the issues raised by writing Roman imperial biography at large and the many ways in which M moires has a claim to historical authenticity In Marguerite Yourcenar's Hadrian Keith Bradley explains how M moires d Hadrien came to be written gives details of Yourcenar's own biography and describes some of the intricate historical problems that her novel s portrait of Hadrian presents He draws on Yourcenar's correspondence her interviews with journalists and her literary corpus as a whole emphasizing Yourcenar's profound knowledge of the ancient evidence on which her life of Hadrian is based and exploiting a wide range of contemporary Yourcenarian criticism The book pays special attention to the methods by which Yourcenar believed Hadrian's life history to be recoverable compares examples of modern life writing and contrasts the procedures of conventional Roman biographers Revealing how and why M moires d Hadrien is as it is Marguerite Yourcenar s Hadrian illustrates how imaginative literary recreation is often little different from historical speculation Mémoires d'Hadrien. Porter, 2005-02-28 From ancient Greece through the present day women writers have confronted the male urge to make war by imagining communities in which intuitive bonding among individuals questions and replaces masculinist values of aggression and competition Women's Vision in Western Literature traces the gender gap in literature from 600 B C to the present day through an examination of seven extraordinary women writers from Sappho to Christa Wolf Combining close readings with a

comprehensive overview of the careers of these women Porter shows how the threat the experience and the aftermath of war incites them to imagine tolerant empathic communities This careful consideration of these seven great writers brings to light an underappreciated aspect of Western women's writing Starting with Sappho Porter illustrates this ancient poet's ability to rewrite the Homeric war rhetoric to reflect a non possessive love experience Marie de France arranges traditional animal fables to imply an open ended situation ethics according to the author and Madame de Stael in a Europe torn by Napoleonic conquests advocates cross cultural unions among countries In the works of Mary Shelley we see the warnings of the dangers of vainglorious soulless technology and Virginia Woolf depicts intuitive bonding beyond gender stereotypes amid the ruins of war and crumbling empire He shows how Marguerite Yourcenar dreams of a new era of world peace after Hitler's defeat and how Christa Wolf tries to cope with her country's Nazi past even as she reaffirms European identity threatened by annihilations in nuclear conflict Subversive Subjects Judith Holland Sarnecki, Ingeborg Majer O'Sickey, 2004 Subversive Subjects Reading Marguerite Yourcenar is the first collection of articles in English to deal with many of this very private author's best known works Its contributors make use of a variety of literary theories to probe the complex ambiguities at the heart of Yourcenar's writings Each contributor ventures beyond traditional readings of Yourcenar's complex texts pushing against the boundaries of interpretation that the Belgian born writer carefully established Many of the essays read like a mystery hence they follow Yourcenar's call for rigorous explications du texte as they probe her complex ouevre Judith Holland Sarnecki is Associate Professor of French at Lawrence University Ingeborg Majer O Sickey is Associate Professor of German and Women's Studies at the State University of New York Binghamton Memoires D'Hadrien Marguerite Yourcenar, 1951 At the Periphery of the Center Thomas J.D. Armbrecht, 2007 At the Periphery of the Center is the first comparison of two of France's most important twentieth century authors Julien Green and Marguerite Yourcenar It examines textual elements in their plays and novels to draw conclusions about the ways that they represent homosexuality in their texts Both Yourcenar and Green turned to drama to explore aspects of same sex desire that they felt unable to express in their prose The analysis of their plays shows that an emphasis on dialogue and action makes drama a particularly appropriate genre for writing about homosexuality because it affords an author distance and therefore protection from the proclivities of his characters The chapters on the novel show by contrast how prose fiction allows an author to explain a character s sexuality with a degree of subtlety difficult to achieve in theatre Variations in narration and paratext allow writers to avoid condemning discourses and to find an original means of expression instead At the Periphery brings a new textually centered approach to Green's and Yourcenar's works that is unlike the psychological analyses that often typify queer readings It will be of great interest to scholars of twentieth century French literature and of Gender Studies The book will also appeal to non academic readers however since it is about two French authors who were also American citizens and who wrote about US history and contemporary culture A Constant Journey Erika Ostrovsky, 1991 From the creation of a neuter pronoun in

her earliest work L Opoponax to the confusion of genres in her most recent fiction Virgile non Monique Wittig uses literary subversion and invention to accomplish what Erika Ostrovsky appropriately defines as renversement the annihilation of existing literary canons and the creation of highly innovative constructs Erika Ostrovsky explores those aspects of Wittig s work that best illustrate her literary approach Among the countless revolutionary devices that Wittig uses to achieve renversement are the feminization of masculine gender names the reorganization of myth patterns and the replacement of traditional punctuation with her own system of grammatical emphasis and separation It is the unexpected quantity and quality of such literary devices that make reading Monique Wittig's fiction a fresh and rewarding experience Such literary devices have earned Wittig the acclaim of her critics and peers Marguerite Duras Mary McCarthy Alain Robbe Grillet Nathalie Sarraute and Claude Simon to name a few While analyzing the intrinsic value of each of Wittig's fictions separately Erika Ostrovsky traces the progressive development of Wittig's major literary devices as they appear and reappear in her fictions Ostrovsky maintains that the seeds of those innovations that appear in Wittig's most recent texts can be found as far back as L Opoponax This evidence of progression supports Ostrovsky s theory that clues to Wittig s future endeavors can be found in her past Marquerite Yourcenar Josyane Savigneau, 1993-10 One of the most respected writers in the French language and best known as the author of Memoirs of Hadrian and The Abyss Yourcenar received countless literary honors and became the first woman to be elected to the Academie Francaise An uncompromising and intimate portrait 50 halftones

The Yourcenar Collection Robert R. Nunn, Edward J. Geary, 1984 French Women Writers Eva Martin Sartori, Dorothy Wynne Zimmerman, 1994-01-01 Marie de France Mme De S vign and Mme De Lafayette achieved international reputations during periods when women in other European countries were able to write only letters translations religious tracts and miscellaneous fragments There were obstacles but French women writers were more or less sustained and empowered by the French culture Often unconventional in their personal lives and occupied with careers besides writing as educators painters actresses preachers salon hostesses labor organizers these women did not wait for Simone de Beauvoir to tell them to make existential choices and have projects in the world French Women Writers describes the lives and careers of fifty two literary figures from the twelfth century to the late twentieth All the contributors are recognized authorities Some of their subjects like Colette and George Sand are celebrated and others are just now gaining critical notice From Christine de Pizan and Marguerite de Navarre to Rachilde and H l\_ne Cixous from Louise Labe to Marguerite Duras these women speak through the centuries to issues of gender sexuality and language French Women Writers now becomes widely available in this Bison Book edition
