## Make Video Calls

You can easily make video calls to contacts in your Contact List, but you must have a webcam. You can receive and participate in a video call without a webcam. In this case, you see the caller's video stream, but no video is transmitted from your Office Communicator client.

### Make a video call

- In the Contact List, right-click the contact that you want to call, and then click **Start a Video Call**.

### Invite someone to call

- In the Conversation window, click **Invite**, and then select a contact or enter a number to call in the **Type a name or number** box.
